DECLARATION 2ND AMENDED	CASE NUMBER: 22FL003144

Dear Honorable Stephen P. Lowney,

Please find attached list of professionally supervised visit reports with my son Max Mars, compromised by impermissible pressure and defamatory falsehood allegations of unethical attorney Nancy L Roberts on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz).

Please also find attached list of evidence of impermissible pressure which unethical attorney Nancy L Roberts made on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz), with the goal to get redacted reports, made in favor of Nancy and her client.

Please also review attached fraudulent defamatory falsehood DVRO 09/13/2022, which Respondent and her unethical attorney Nancy L Roberts used to manipulate Court and abduct my son Max Mars, who after abduction with fraudulent DVRO Respondent held in undisclosed location, blocking all contact with my son, even phone calls, while Respondent attempted through fraud, falsifications and bribing judge Flint, to facilitate international child abduction of my son outside of the United States with threats to abduct and "bury our son in Ukrainian soil, so you will never see him again".

I appreciate if you could possibly review attached Respondent's DVRO from 09/13/2022 together with my opposing DVRO 09/19/2022 before proceeding with evidences of impermissible pressure on emergency screener and professional supervisors, to understand basis of the case - because matter of these DVROs was never heard by the Court, because unethical attorney Nancy L Roberts fraudulently dismissed trial on opposing DVROs, and later, bribed judge Andrea Flint refused to hear this matter, and refused to review any of more than 50 pieces of evidence and witness statements, forcing me to abandon my son and sign-off custody.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Lowney Dept: 79

Dear Honorable Stephen P. Lowney,

I kindly ask you to review evidence and visitation reports in the following order to understand factual basis of this case for upcoming Custody Review Hearing 01/18/2024:

1. **Fraudulent defamatory falsehood DVRO 09/13/2022** (Evidence P1) which Respondent and her unethical attorney Nancy L Roberts used to attempt to kill my grandmom, 95 years old defenseless senior woman with disabilities, who Respondent violently kicked out from home and caused her terminal condition, using this fraudulent DVRO, and to abduct my son Max Mars.

   I kindly ask you to review allegations of Respondent against me in her DVRO 09/13/2022, used to fraudulently obtain temporary full custody over my son, who Respondent abducted to undisclosed location and blocked all contact with my son, motivating it by "court orders" – which were obtained with the help of bribed judge Flint, who never heard matter of opposing DVROs, because unethical attorney Nancy L Roberts dismissed Trial on opposing DVROs, and Flint later refused to hear this matter or review any evidence.

   Furthermore, judge Flint denied Child Abduction Prevention Orders despite documented history of international child abduction of my son by Respondent in 2019 – 2020.

   Furthermore, judge Flint refused to hear matter of domestic Child Abduction, and unlawfully and intentionally removed signed Emergency Screener Recommendations from Court records.

   Furthermore, judge Flint refused to review any of more than 50 pieces of evidence and witness statements, intentionally wrongfully granted full custody to mother-abuser with

documented history of child and elderly abuse, and ordered no contact with my son to me, primary parent and caring father, without any explanations.

Furthermore, judge Flint made impermissible pressure on me with threats of punishment through abuse of judicial power, made impermissible pressure on me through extremely harmful financial sanctions by ordering unreasonably huge court ordered payments, and attempted through fraud, threats and deceit force me to abandon my son, sign-off custody of my son and give up documents of my son – therefore facilitating international child abduction of my son outside of the United States by mother-abuser with documented history of international child abduction in 2019-2020, who before domestic child abduction in September 2022 threatened to abduct and "bury our son in Ukrainian soil, so you will never see him again".

I kindly ask you to thoroughly review Respondent's fraudulent defamatory falsehood DVRO 09/13/2022 (P1) and thoroughly review allegations of Respondent against me – which were used to abduct my son and fraudulently and unlawfully obtain full custody over my son and abduct my son outside of the United States.

I kindly ask you to pay attention to the fact that there **were no any acts of domestic violence from my side**, **no physical or emotional abuse** which could be even formally used to order no contact to me with my son.

All that DVRO was based completely on irrelevant fake and defamatory falsehood allegations, and was filed solely to manipulate Court to make irreversible harm to health of my grandmom, 95 years old senior woman with disabilities, and to abduct my son,

manipulating Court (and later with the help of bribed judge Flint) – to attempt to force me to sign-off custody, abandon my son and allow international child abduction of my son outside of the United States to Ukraine.

In case of success Respondent will completely destroy life of my son by cancelling Max's Green Card (which requires uninterrupted presence in United States), mutilate my son's personality by domestic violence, stress, and horror of not only living in full custody of mother-abuser, but also living under constant, everyday threat to be killed due to ongoing war in Ukraine.

I also kindly ask you to pay attention to the fact that Respondent never was a "primary parent" as she stated – she was repeatedly neglecting and abusing my son, and all defamatory false allegations and massive fraud made with fraudulent DVRO happened solely because Respondent treats our son as her sole property – which I completely disagree, and which is extremely wrongful approach by its nature.

The only allegation of Respondent that I consent, is that I truthfully explained her that she is extremely sh*tty parent, and domestic violence, same as child and elderly abuse, and child abduction outside of the United States are absolutely impermissible in my family.
I consent that I requested Respondent to stop beating my son, and requested her to start working together on healthy co-parenting with the main focus on safety and wellbeing of our son. Which I believe is my obvious opposition to any kind of violence in my family.

Unfortunately, all my attempts to explain Respondent that our son is PERSONALITY and deserves nurturing and supportive environment with both loving parents present in his life, focused on our Child's safety and best interest, was completely refused by Respondent.

Unfortunately, on my ask to stop domestic violence and start working together on healthy co-parenting with the focus on safety, wellbeing and best interest of our son, Respondent threatened to kill my grandmom, abduct and "bury our son in Ukrainian soil" – which was extremely violent and absolutely insane threat, that, unfortunately, Respondent implemented.

I kindly ask your attention to opposing DVROs 09/13/2022 (P1, by Respondent) and 09/19/2022 (P2, my responsive DVRO) to clarify basis of this case, to clarify absence of domestic violence from my side, and presence of child and elderly abuse and child abduction from Respondent's side.

I also kindly request to nullify intentionally harmful wrongful orders of bribed judge Flint made on 10/31/2022 and 06/29/2023, which wrongfully gave full custody to Respondent and ordered no contact with my son to me, without any legal or ethical basis for such intentionally harmful orders.

2. **List of evidence of impermissible pressure with defamatory falsehood allegations on emergency screener Dr Mary Rolison and professional supervisors (including Lorraine Ruiz) (Evidence P3, P4, P5) made by unethical attorney Nancy L Roberts** to get compromised emergency screener recommendations and supervised reports, redacted in favor of Respondent.

I kindly ask you to pay attention, that both emergency screener and professional supervisors were very wulnerable to such kind of impermissible pressure, because those experts by default trust attorney more than self-represented litigant, and follow attorney recommendations – while in our case, Nancy L Roberts is shamelessly lying to everybody: emergency screener, professional supervisors, Judge in the courtroom – making impermissible pressure and using defamatory falsehood allegations even in common email threads with Department 79.

Taking into account that judge Flint was bribed, it explains why judge Flint assigned Nancy L Roberts to be "lead attorney" on our divorce case – despite multiple repetitive severe violations of professional and ethical standards by Nancy L Roberts, fraud, falsifications, lies to judge in the Courtroom, impermissible pressure on emergency screener and professional supervisors, and as result – Nancy L Roberts being twice requested to be disqualified (first time back in August 2023, second time – in November 2023).

3. **List of professionally supervised reports (P5, P14, P15, P16 – 39), compromised by impermissible pressure on professional supervisors made by Nancy L Roberts** to get reports redacted in favor of Respondent

Please pay attention that Nancy L Roberts was pressing supervisors by various illegal and unethical means to get mentions and even targeted emails with words "terminate visit", "inappropriate comments", "inappropriate topics discussed with the Child", "violates rules of visitations" – to use those compromised reports and messages as formal confirmation of orders of bribed judge Flint to give full custody to her client and no contact with my son to me.

Nancy through unlawful and unethical means succeeded to compromise reports with such phrases (despite some professional supervisors like Lorraine Ruiz and Christina Covarrubias stayed firm on impartiality and included all conversations with Nancy and Hanna in their reports completely – which clearly demonstrates impermissible pressure that Nancy did on professional supervisors).

I kindly request you to pay attention to nature of Nancy's false allegations about "violating rules of visitations", "inappropriate topics", etc.:

- According to Nancy (included in defamatory falsehood email from Jesus Santos), "violation of rules of visitation" is being 10 minutes late due to work meeting (that took longer due to urgency and importance of work matter) – and notifying professional supervisors about being late ahead of time;
- According to Nancy (and heard from Jesus, Dylan and even Bianca) – "inappropriate" topics include: discussing with Max human freedoms; discussing with Max that he was born free and deserves respect as PERSON; discussing the fact that Max has Green Card

(thanks to me, his father) and has all legal rights to live in the United States; discussing dangers of war in Ukraine where mother-abuser is attempting to abduct Max; discussing how to call 9-1-1 in case if mother-abuser is beating Max again, abuses Max, or in case if mother-abuser takes Max to airport for international child abduction; discussing how to ask help in School in case if mother-abuser is beating Max again; telling Max that domestic violence is absolutely impermissible and father loves and cares about Max; telling Max that father did not abandon Max despite bribed judge Flint attempted to force me to abandon Max, sign-off custody and allow international abduction of my son; discussing bruises on Max's body; discussing that I love Max and care about my son; discussing that Max has father, and it is not shame to have father and be greeted by father with birthday – even when mother-abuser prohibits smiling and being happy; discussing what does mean to be respectful and responsible to others (this topic according to supervisors hurts Max, because it raises memories how mother-abuser was beating my son for learning this topic during making School homework together with father – when mother-abuser grabbed, dragged and started physically and emotionally abusing my son for doing homework and learning about good human values with father); All these topics are strictly prohibited and lead to notices about termination of visit, because my son is held hostage by mother-abuser and it is strictly prohibited to give Max any hope to be treated with respect, as CHILD, HUMAN and PERSONALITY and saying my son that I love him, he has father, and I will not abandon my son – which Nancy uses in her defamatory falsehood emails to the Court, Department 79 and new professional supervisors, saying about "violation of visit rules" and "inappropriate topics".

Dear Honorable Stephen P. Lowney, I kindly request to Disqualify Nancy L Roberts from representing her client in this case 22FL003144, and to communicate with California State Bar Association about her violations of ethical and professional standards, which, after gruesome story with judge Flint, unlawfully influenced by Nancy, and with all the amount of pressure on screener and supervisors, looking at severity and repetitive nature of these violations, require her license to be suspended.

Please see below list of professionally supervised reports(P5, P14, P15, P16 – 39), compromised by Nancy's impermissible pressure on professional supervisors; evidence of impermissible pressure on emergency screener and professional supervisors made by Nancy L Roberts (P3, P4, P5); opposing DVROs from September 2022 (P1, P2) which clarify how Respondent abducted my son and fraudulently obtained temporary full custody and orders harmfully and wrongfully prohibiting me any contact with my son, and additional evidence and witness statements to know better about Max's life before abduction and his relationship with father as parent and person (P7 – P14):

P1. Fraudulent defamatory falsehood DVRO 09/13/2022 that Hanna Mars used to kick out from home my grandmom, defenseless 95 years old senior woman with disabilities, causing irreparable damage to her health and putting my grandmom into terminal condition, and to abduct my son Max Mars with the threat to "bury our son in Ukrainian soil, so you will never see him again".

Please pay attention: there were no domestic violence from my side and no abuse at all. This DVRO is complete fraud used to abduct my son.

All what happened was that I prohibited Hanna beating my son and requested her to stop domestic violence and focus on healthy co-parenting with Max's safety and best interest in mind.

I also prevented Hanna from stealing Max's passport and prevented her from cancelling Max's Green Card, when she was threatening to abduct my son to Ukraine.

Yes, there was conflict of interest – either my son after receiving Green Card (that I provided to my son) lives in the United States with both parents who together focus on creating supporting and nurturing environment for our son (which is my position), or Hanna abducts Max to Ukraine (in

times of war) and, as she said, will "bury our son in Ukrainian soil, so you will never see your son again" (which is Hanna's position, and I completely disagree with it).

Allegations that I was pointing Hanna that she is sh*tty parent when she was neglecting Max, physically and emotionally abusing my son, demonstrated absolutely impermissible example of violence against minor child and elderly person with disabilities, and was forcing my son to suffer, explaining it by "child must suffer and cry" – are true.

I consent that I said to Hanna that she is extremely sh*tty parent, and Hanna's violence against our son and my grandmom is absolutely impermissible.

As I said, child abuse and abduction are absolutely impermissible. Parents must focus on safety and wellbeing of their child.

But this is not abuse – those are corrective actions of primary parent and head of household to prevent child and elderly abuse, and ensure safe, supportive and nurturing environment for my son, and protect my son and grandmom from Hanna's domestic violence.

Hanna retaliated to me because I prohibited her beating my son, prevented her from stealing my son's passport and cancelling his Green Card, prevented international abduction of my son outside of the United States to Ukraine – therefore Hanna, as she threatened, attempted to kill my grandmom, and abducted my son with the threat to "bury our son in Ukrainian soil, so you will never see him again".

The only reason, stopped her from international abduction of my son – is that she never had access to my son's passport after previous international child abduction in 2019-2020, and after she with deceit and blackmailing me, forced me to trade return of my son back home to the United States for travel authorization document which allows Hanna to travel with my son abroad without my

permission for the next 10 years. Since then I knew that she is planning new abduction and never gave her my son's passport.

It is the only reason why we still have this hearing here in the United States, and quite possibly the only reason why my son is still alive (while biological mother promised to bury Max abroad, in country where ongoing war already took thousands of children's lives)

P2. My responsive opposing DVRO 09/19/2022 which explains reasons why Hanna abducted my son, describes acts of violence, child and elderly abuse by Hanna that happened before abduction of my son with fraudulent DVRO, provides evidences of previous child abduction in 2019 – 2020, provides evidences of me being primary parent and head of household. Please pay attention that I was always in charge of my son's health, education, financial and legal matters. I provided Green Card to my son (which Hanna attempted to cancel). I insisted on Max's right to start school at the same age as other kids (not year later, as Hanna attempted to do). I was invited to School Council by School Principal. I participated in PIQE (Parent Institute for Quality Education). I enrolled my son to English, Math and KravMaga classes. And insisted on Max's participation in classes when Hanna attempted to unenroll our son. I was taking care of Max's health when Max broke arm bones and insisted on 2nd opinion doctor. I was carrying my son on my shoulders to school, making homework and teaching Max English – when mother prohibited us to spend time together and physically and emotionally abused my son for speaking English with me at home. I was taking Max to eKids events for advanced child eductation. I was organizing Max's birthday and kids parties. I was taking care of Max's safety and wellbeing. And yes, I prohibited Hanna beating my son and requested her to stop domestic violence and start working on healthy co-parenting instead of parental alienation and enforced violence as she did. To which she promised me to kill my grandmom, abduct and "bury our son in Ukrainian soil so you will never see him again".

Maybe I was naïve, teaching my son that we never ever raise hand on mom, regardless of how violent she behaves – because gentlemen never raise hand on woman. My son and me paid for being respectful and polite to Hanna… And my son became hostage for years because of that my lesson of gentleman ethics that I always adhered. Though, in future, after years, my son will remember, that even when mother did absolutely impermissible crime against him and his great-granny, I still adhered to gentleman ethics – and kept giving my son example of being caring, supportive and law-obedient father.

P3. Nancy Robert's defamatory false allegations against me in email from 04/19/2023, used to make impermissible pressure on Emergency Screener Dr Mary Rolison, shamelessly sent by Nancy Roberts in email thread with Department 79, knowing that judge Flint is bribed and will ignore such impermissible false allegations. False allegations of "delusional behavior", "delusional disorder", "failed to obtain a new professional supervisor" which Nancy Roberts sent to Emergency Screener Dr Mary Rolison and Department 79, were sent after all parties were served my mental health evaluation results, that I did to clear false allegations immediately when heard that such allegations were mentioned.

P4. Nancy L Robert's defamatory false allegations against me in email to professional supervisor Lorraine Ruiz, sent immediately after the first visitation to put pressure on professional supervisor. Defamatory false allegations of Nancy l Roberts include "recommended a mental health evaluation of Mr. Mars by a qualified psychiatrist", "Mr. Mars has delusions", "Mr. Mars compulsively discusses", "Mr. Mars cannot regulate his behavior". All those defamatory false allegations were sent after all parties were served my mental health evaluation results and are aware that Nancy L Roberts is lying with the purpose to make impermissible pressure on professional supervisors

P5. Report of professional supervisor Lorraine Ruiz which includes defamatory false allegations of Respondent about "Dad has a mental illness", "followed her" etc. Lorraine Ruiz quoted high pressure messages in her report, included repeated phrases “terminate visitation” repeated by my son due to

negative influence of his biological mother, provided screenshots of messages and emphasized that it's very suspicious that Child is talking about "terminating visit".

P6. Email from Respondent's Attorney Nancy L Roberts where she refuses to sign peaceful agreement, offered by me (Petitioner) and states her intentions to block case completely, blocking any contact with the Child and enforcing parental alienation for indefinitely without any reasons by permanent restraining order, refusing to sign emergency screening, etc.

P7. Me and my son Max – few pictures so you may know how Max lived before abduction, with father, granny, in supportive and nurturing environment

P8. Affidavit of Alexander Pirozhenko, family friend and neighbor, who observed Max and both parents for quite a while and confirmed great caring parenting and strong bond between Max and his Father

P9. Affidavit and characteristic from Petitioner's Manager, Aliaksei Dziashko, who confirmed great personal and people management skills, highest reputation and credibility of Max's Father

P10. Affidavit of Alena Chepakovich, family friend and neighbor who witnessed when Respondent was telling her plans to abduct Child to Ukraine in 2022. Also Alena shared observations about strong bond between Max and his Father, the fact that Father was caring about all family – including Max, Granny, Hanna. Father's caring parenting style. Alena admitted noticeable mental instability and inappropriate behavior of Hanna even when she was on kid's parties and among adult guests. Also Alena noticed that Hanna shared plans of international child abduction to Ukraine.

P11. Mental health evaluation as additional proof that Nancy Roberts did impermissible pressure on emergency screener and professional supervisor, based solely on defamatory falsehood allegations and unethical lies of Nancy.

P12. Additional proofs of credibility – Co-Parenting and Anger Management Certificates, obtained just as an additional proof of credibitlity for DVRO trial, that was fraudulently dismissed by Nancy Roberts to avoid evidence be ever seen, and matter be ever heard

P13. NO SIM – Hanna pulled out sim card from Max's phone to ensure that my son cannot contact neither me, nor 9-1-1 (documented on professionally supervised visit 11/10/2023)

P14. Supervised report 11/10/2023 by Christina Covarrubias – Hanna pulled out sim card from Max's phone to block any contact of my son neither with me, nor with 9-1-1

P15. Supervised visit report 08/22/2023 – Mother-abuser prohibits Max talking about school, his life, overcontrols any contact with father, prohibits chatting with father even in Roblox

P16. Professionally supervised report of Jesus Santos, 11/24/2022 - when I organized birthday party for my son Max, to cheer up him and give him feeling of good old times when Max lived with me, and I was organizing kids parties for Max almost every month.

P37. Professionally supervised report of Dylan Smith 02/21/2023

After I was pushed on the brink of bankruptcy and homelessness, and became unable to pay medical bills for my grandmom, who Respondent violently put into terminal condition by kicking my mom out from home with fraudulent DVRO – all of that with the help of intentionally harmful orders of bribed judge Flint, who attempted to force me to abandon my son by ordering maximum child and spousal support, unreasonable and unnecessary extra expert fees and ordered me to pay all community debts (about $100,000 with hefty monthly payments), artificially extended paid supervised visits for more than half year, refusing to make custody review hearing, and put in me in situation where I was unable to pay for regular visits – I notified few week ahead Jesus Santos that soon I will be unable to pay for visits, and we probably will have to reduce amount of visits or pause visitations. In turn, Jesus Santos sent some defamatory allegations in email with the Court and Nancy that I allegedly "violated rules of visitations by being late" (which happened couple of times, when I notified Jesus and his partner Dylan ahead of time that I'll be late because of urgent work meetings – and which had nothing to do with "violation of rules"). Jesus emphasized even in supervised report that according to his opinion being late is serious violation of the rules that leads to termination of visits. This has nothing to do with safety and wellbeing of my son, and is obviously not a "violation of the rules" (since I notified Jesus and Dylan ahead of time, respecting their time) – and it was obvious, that Jesus simply helps Nancy L Roberts to obtain some formal "proof" from supervisor that visits were terminated not by me due to inevitable financial ruin, caused by Nancy's and Flint's fraud, but allegedly because of "violation of rules of supervised visitations" (which is obvious lie).

Seeing such unethical defamatory statements from professional supervisor, who was repeating ugly unethical lies of Nancy L Roberts and helping her to leave my son without father, I terminated services of Jesus as supervisor.

[P5] … Report from Lorraine Ruiz can be found in P5,

After impermissible pressure from Nancy L Roberts and Hanna Mars, with defamatory falsehood allegations said directly to Lorraine, and shamelessly sent in emails to Lorraine, Lorraine Ruiz withdrew from supervising visits with Max due to ethical reasons.

Report of Lorraine Ruiz (who Nancy shamelessly kicked from supervision after the very first and only honest and highly professional report), is very insightful – you may see how shamelessly Hanna Mars lies to professional supervisor about allegedly "Dr Mary Rolison" recommendations (which you can check from Dr Mary Rolsion recommendations filed with the Custody Review evidence package), sends defamatory falsehood statements to professional supervisor and trained my son to repeat that phrase about "terminating visit".

Lorraine Ruiz made honest and very detailed report, which ultimately shows catastrophic situation of my son – even though supervised visit was very short, and Nancy L Roberts pressured and kicked Lorraine Ruiz from supervising our visits immediately.

[P14, P15]… Reports from Christina Covarrubias can be found in P14, P15

Christina Covarrubias was highly professional and honest – being polite to both parties. Though, during her supervision, Hanna very aggressively blocked all contact with my son, prohibited even phone calls, blocked all chats (even Roblox), and pulled out sim card from Max's phone, to ensure that Max cannot contact neither me, nor 9-1-1. Reports of Christina might be very insightful to see how mother-abuser is making pressure on my son to enforce parental alimentation and force my son

to completely forget father in preparation of international abduction outside of the United States to Ukraine.

Judicial Officer James E. Towery

Right to Cancel Hearing: Information for the Person in 1

- If item 4 a(2) or 4 a(3) is checked, the judge has denied some or all of the temporary orders you requested until the court hearing. The judge may make the orders you want after the court hearing. You can keep the hearing date, or you can cancel your request for orders so there is no court hearing.
- If you want to cancel the hearing, use form DV-112, *Waiver of Hearing on Denied Request for Temporary Restraining Order*. Fill it out and file it with the court as soon as possible. You may file a new request for orders, on the same or different facts, at a later time.
- If you cancel the hearing, do not serve the documents listed in item 6 on the other person.
- If you want to keep the hearing date, you must have all of the documents listed in item 6 served on the other person within the time listed in item 6.
- At the hearing, the judge will consider whether denial of any requested orders will jeopardize your safety and the safety of children for whom you are requesting custody or visitation.
- You must come to the hearing if you want the judge to make restraining orders or continue any orders already made. If you cancel the hearing or do not come to the hearing, any restraining orders made on form DV-110 will end on the date of the hearing.

To the Person in 1:

- The court cannot make the restraining orders after the court hearing unless the person in 2 has been personally given (served) a copy of your request and any temporary orders. - If you are unable to serve the person in 2 in time, you may ask for more time to serve the documents. Read form DV-115-INFO, *How to Ask for a New Hearing Date.*

To the Person in 2:

- If you want to respond in writing, mail a copy of your completed form DV-120, *Response to Request for Domestic Violence Restraining Order,* to the person in 1 and file it with the court. You cannot mail form DV-120 yourself. Someone age 18 or older—**not you**—must do it.
- To show that the person in 1 has been served by mail, the person who mailed the form must fill out a proof of service form. Form DV-250, *Proof of Service by Mail,* may be used. File the completed form with the court before the hearing and bring a copy with you to the hearing.
- For information about responding to a restraining order and filing your answer, read form DV-120-INFO, *How Can I Respond to a Request for Domestic Violence Restraining Order?*
- Whether or not you respond in writing, go to the hearing if you want the judge to hear from you before making an order. You may tell the judge why you agree or disagree with the order requested. You may bring witnesses and other evidence.
- **At the hearing, the judge may make restraining orders against you that could last up to five years.**
- **The judge may also make other orders about your children, child support, spousal support, money, and property and may order you to turn in or sell any firearms that you own or possess.**

Certificate of Compliance With VAWA

This temporary protective order meets all "full faith and credit" requirements of the Violence Against Women Act, 18 U.S.C. § 2265 (1994) (VAWA), upon notice of the restrained person. This court has jurisdiction over the parties and the subject matter; the restrained person has been or will be afforded notice and a timely opportunity to be heard as provided by the laws of this jurisdiction. **This order is valid and entitled to enforcement in each jurisdiction throughout the 50 states of the United States, the District of Columbia, all tribal lands, and all U.S. territories, commonwealths, and possessions and shall be enforced as if it were an order of that jurisdiction.**

This is a Court Order.

Warnings and Notices to the Restrained Person in 2

Your Address to Receive Court Orders

If the judge makes a restraining order at the hearing (court date), which has the same orders as in this Temporary Restraining Order, you will get a copy of that order by mail at your last known address, which is written in 2 on page 1. If your address was not listed on this form or is incorrect, contact the court. If you did not go to your court date and want to know if the judge granted a restraining order against you, contact the court.

Child Custody, Visitation, and Support

- **Child custody and visitation:** If you do not go to your hearing (court date), the judge can make custody and visitation orders for your children without hearing from you.
- **Child support:** The judge can order child support based on the income of both parents. The judge can also have that support taken directly from a parent's paycheck. Child support can be a lot of money, and usually you have to pay until the child is age 18. File and serve form FL-150, *Income and Expense Declaration*, or form FL-155, *Financial Statement (Simplified)*, if you want the judge to have information about your finances. Otherwise, the court may make support orders without hearing from you.
- **Spousal support:** File and serve **form FL-150**, *Income and Expense Declaration*, so the judge will have information about your finances. Otherwise, the court may make support orders without hearing from you.

Instructions for Law Enforcement

This order is effective when made. It is enforceable by any law enforcement agency that has received the order, is shown a copy of the order, or has verified its existence on the California Law Enforcement Telecommunications System (CLETS). If the law enforcement agency has not received proof of service on the restrained person, and the restrained person was not present at the court hearing, the agency shall advise the restrained person of the terms of the order and then shall enforce it. Violations of this order are subject to criminal penalties.

Arrest Required if Order Is Violated

If an officer has probable cause to believe that the restrained person had notice of the order and has disobeyed the order, the officer must arrest the restrained person. (Penal Code, §§ 836(c)(1), 13701(b).) A violation of the order may be a violation of Penal Code section 166 or 273.6.

If the Protected Person Contacts the Restrained Person

Even if the protected person invites or consents to contact with the restrained person, the orders remain in effect and must be enforced. The protected person cannot be arrested for inviting or consenting to contact with the restrained person. The orders can be changed only by another court order. (Penal Code, §13710(b).)

This is a Court Order.

HAnna Mars

Conflicting Orders–Priorities for Enforcement

If more than one restraining order has been issued protecting the protected person from the restrained person, the orders must be enforced according to the following priorities (see Penal Code, § 136.2, and Family Code, §§ 6383(h), 6405(b)):

1. **EPO:** If one of the orders is an *Emergency Protective Order* (form EPO-001), and it is more restrictive than other restraining or protective orders, it has precedence in enforcement over all other orders.
2. **No-Contact Order:** If there is no EPO, a no-contact order that is included in a restraining or protective order has precedence in enforcement over any other restraining or protective order.
3. **Criminal Order:** If none of the orders includes a no-contact order, a domestic violence protective order issued in a criminal case takes precedence in enforcement over any conflicting civil court order. Any nonconflicting terms of the civil restraining order remain in effect and enforceable.
4. **Family, Juvenile, or Civil Order:** If more than one family, juvenile, or other civil restraining or protective order has been issued, the one that was issued last must be enforced.

Child Custody and Visitation

- The custody and visitation orders are on form DV-140. They are sometimes also written on additional pages or referenced in DV-140 or other orders that are not part of the restraining order.
- At items 8b(1) or 9b(1) of this order, the judge may allow the person in (2) to have brief and peaceful contact with the person in (1), as needed to follow court-ordered visits. Conduct of the person in (2) that is not brief and peaceful is a violation of this order.
- **Forms DV-100 and DV-105 are not orders. Do not enforce them.**

DECLARATION ATTACHMENT TO REQUEST FOR RESTRAINING ORDER

I, Hanna Mars, requesting party herein, testify truthfully to the facts stated herein.

1. I am seeking a domestic violence restraining order against my husband Kostiantyn Mars (hereinafter "Kostiantyn"). I was married to Kostiantyn Mars (hereinafter Kostiantyn) on June 5, 2015. As a result of our marriage, we have one wonderful child together, Maksym - age 6 (DOB:11/23/2015).

2. I was three months pregnant when we married, after I had known Kostiantyn for approximately seven months. Things were OK until Maksym was born. After Maksym was born I rarely saw Kostiantyn as we slept in separate rooms where I cared for our baby and during the day Kostiantyn was at work. We only occassionally had dinner together and Kostiantyn was not caring, but his behavior was not abusive as it later became.

3. When Maksym turned about age one, my husband started to become abusive toward and controlling of me. For the short periods of time he was at home, he constantly disparaged me telling me I was a bad wife, and I didn't know how to keep the house in order. He would go around the home and tell me that I failed to put items back in their proper place. All the time he would disparage me and tell me that I was stupid, dumb, that I was worth nothing. He also started calling me a bitch when yelling at me. This behavior continued after we moved to the United States in May of 2019. Kostiantyn told me that this move was best for our son.

4. We lived in the Los Angeles area for about one year and then moved to the Bay Area in October of 2020. Things remained about the same with Kostiantyn disparaging me and calling me names; however, the frequency with which it occurred increased. We had a one bedroom apartment. Kostiantyn took over the one bedroom and used it as his office to work from home. Maksym and I slept in the living room. We rarely saw Kostiantyn except for dinner and sometimes on weekends. My job was helping Maksym with online school and keeping him quiet or taking him outside of our house because if there was noise, Kostiantyn would start yelling at me in front of our child about the noise.

5. Things really escalated in January of 2022 and again in June of 2022 when Kostiantyn brought his 94 year old grandmother over from Ukraine. Since January of 2022, Kostiantyn has been threatening me with regard to our son and my immigration status. Kostiantyn also started physically and emotionally injuring our son Maksym, then age six. From January until September when I began to intervene and try to keep Maksym away from his father, Kostiantyn would spank Maksym telling me and Maksym that "it educates him." On multiple occasions Kostiantyn would grab Maksym so he couldn't get away from him, pull down his pants and underwear and smack him on his bottom hard three to five times leaving red marks which would last for at least one hour. I was afraid of Kostiantyn, but after months of this behavior, I would try to talk to Maksym and remove him from the situation before it escalated. Prior to that, when I

tried to intervene, Kostiantyn would yell at me, grab my hand and tell me that "I was preventing him from raising his son and it was necessary for Maksym or he otherwise wouldn't understand and he would "behave like a girl." Kostiantyn would then threaten to take Maksym away from me telling me that "I am a softie with him." I was afraid of Kostiantyn so I didn't call the police. I just kept trying to intervene and protect my son and myself. If I told Kostiantyn that I would call the police, he would tell me, "what do you think you will say to the police. You don't speak the language." He would then continue to threaten that he would take Maksym from me.

6. Also since January of 2022, Kostiantyn has been hiding important legal documents from me such as Maksym' birth certificate, our marriage certificate, and our son's green card and Ukrainian passport. I am very concerned about his hiding Maksym' documents in light of his threatening to take Maksym from me.

7. Around mid-July of this year, Kostiantyn went through the necessary process to obtain his and Maksym' green cards. Although we filled out paperwork, I don't think Kostiantyn filed the documents necessary for my green card as I still haven't received mine. As part of the process of obtaining Maksym' green card, Maksym needed to be vaccinated. One of those vaccines was Hepatitis A vaccine which is given in two doses the second of which is at least six months from the first. When we took Maksym to the CVS to get his second dose, Kostiantyn told the pharmacist that it was OK for Maksym to get his second dose and that it has been six months since the first dose. He lied however, as he was in a hurry to get Maksym' green card. I told the pharmacist it has been only four months and he refused to give Maksym the vaccine that day.

8. Kostiantyn was angry that I told the pharmacist the truth and threatened me and told me "If you screw up the green card process for our son, I will make you return to Ukraine and you will never see Maksym again." Before going to the pharmacy, I told Kostiantyn that the first dose of vaccination was enough to get a green card, but he did not listen. After we left the CVS pharmacy, Kostiantyn again put me down in front of Maksym, yelling at me and threatening me saying, "You are a stupid fool idiot, because of you Maksym may not get a green card, why are you getting involved in this with your stupid words?. "You are nobody without me and it depends on me whether you stay in America or not." Kostiantyn then said to Maksym that I was a bad mother and I did not love him. Maksym began to cry and I asked Kostiantyn not to yell and say these things to our child. Kostiantyn just yelled at me and continued to scream and humiliate me in front of our son.

9. In August and September, Kostiantyn just started doing things to make my caring for Maksym difficult or trying to move me out of his and Maksym's life. On August 17, 2022, Kostiantyn took the child car seat from the car which I was driving and said that he will now keep the car seat in his car and he will determine whether I can use it or not. A little later, my husband said that he will stop giving me the car seat because he will take our son where he needs to go and he does not need to go anywhere with me. He then told me I could buy my own car seat after our divorce. Since we lived in the Ukraine everytime Kostiantyn was unhappy about something with

me, he would tell me, "We will divorce, just not right now."

10. On September 1, 2022, Kostiantyn forced me under duress and coercion to sign a document removing me from the lease for our apartment. Exhibit "B." He told me that if I didn't sign this lease amendment, he would take our son from me and cancel my green card process. I was very scared and so I signed the lease amendment. This was done after he sent a misleading text message to our apartment landlord telling them that he wanted me off the lease and that I should have no keys to our mailbox. Exhibit "A." Kostiantyn had stated telling me for about one month prior to this that I needed to find my own apartment, and threatening me that I should not add our son's name to any lease I enter into because our son will live with only him. He gave until this Friday, September 16, 2022 to leave our apartment. This is difficult for me as I don't speak English well and I don't have a job that pays enough for me to pay for an apartment of my own. I work about 15 hours per week and gross about $2,400 per month. I am a UX designer, but I have only 6 months part-time experience in the U.S. and although I have looked for full-time work, all employers tell me that they are looking for someone with more experience.

11. On September 4, 2022, Kostiantyn disparaged me in front of our son again. He told our son that "your mom keeps you starving and she is not a good mother." Our son was upset and told his father that I had just fed him. Kostiantyn did not stop and kept telling our son bad things bout me. On September 9, 2022, Kostiantyn told me to "voluntarily" sign a lease where I would exclude our son from the lease" as "our son cannot live with me." Kostiantyn threatened me, "if you include our son on the lease, I will take away your parental rights and stop your green card process." I don't know if Kostiantyn even started the process as I am the only only family member without a green card still.

12. Since we have lived in the U.S., Kostiantyn has hid all financial information from me. He never allows me to see his pay stubs, our tax returns or bank statements - any document that would indicate how much he earns. Even with the tax return, he would just bring me the signature page and tell me to sign. He would never let me review it.

13. More recently, on September 13, 2022, Kostiantyn called my parents and told my father, "if she doesn't sign a lease agreement with th apartment for herself before September 16, 2022 and leave, I will do everything to send her to Ukraine and she will never see our son. Maksym should not be included in her apartment. You will never see your grandchild ever again."

14. Over the past year with Kostiantyn's behavior and what he says to our son, Maksym has been very concerned and often cries. Maksym will take my hand and say, "Mom, I want you to always be there, Dad says that you will go to a psychiatric hospital." I then hug my son and tell him I will always be here for him and never leave him. I am very concerned for Maksym and myself with Kostiantyn's controlling and threatening behavior. I have always been Maksym's primary parent, both in the Ukraine and in the U.S. Kostiantyn spent very little time with Maksym working most of the time. He is now using Maksym as a control device such that if I

don't do what he wants, he will take Maksym from me. He continues to try to convince Maksym that I am a bad mother and do not care for him. This is so detrimental to Maksym.

15. I am requesting a restraining order against Kostiantyn protecting both me and Maksym. I am requesting full legal and physical custody of Maksym and I will need child and spousal support until I can find a full-time job. As Kostiantyn took the keys to the 2014 Volkswagen Tiguan that I had been driving. Kostiantyn drives our other car, a 2022 Hyundai so he has the use of a vehicle. He just took the second car away from me to be spiteful. I ask that the court award me the exclusive use of the Tiguan. I also ask that I be allowed to stay in the apartment in which we currently live and that Kostiantyn be ordered to immediately vacate the property. As I have very little income, I am also asking that my husband pay me $10,000 so that I can retain an attorney to represent me in this matter.

I declare under penalty of perjury that the foregoing is true and correct.

INSTRUCTIONS

For more information please refer to Superior Court of California, County of Santa Clara Local Rules 5 A & B and California State Rules, Rules 5.151, 5.165, 5.167, and 5.170.

This form is required in Santa Clara County, if you are asking the Judge to make immediate orders (also know as emergency or ex parte orders) without the other party being present for a hearing. This form must be completed in any case where ex parte orders or emergency orders are requested. If you are required to give notice, notice must be given before 10:00 a.m. on the court day before the Judge reviews the application, or the application will be delayed another 24 hours. Notice means providing the other side of the case, either all other attorneys or any self-represented party, with copies of any papers that you want the Judge to review and any orders that you are requesting. If you have given notice to the other side of your case, you must state the form of notice given. If you ask the Court to not require notice, you must explain why. Sometimes notice is not required, such as cases involving allegations of domestic violence or where the safety of a party or a child might be at risk if notice is given. It is up to the Judge in your case to determine whether notice will be required or not.

SECTION #1

State whether you are the Petitioner or the Respondent in the case. Once a case is filed, the parties keep the same status in the case. You do not change from the Respondent to the Petitioner by filing a new motion in the case. If you do not have an attorney, you are considered self-represented.

SECTION #2

If any other party is represented by an attorney, you must provide the Court with the attorney's name and address. If the other party is not represented by an attorney, you must provide the Court with the other party's address.

SECTION #3

It is very important to list all other cases in which you and the other party have been involved with the courts. This would include other Family Law, Probate, Juvenile, Restraining Order, Child Support, Civil, or Criminal matters. If you do not have the case number, please put "unknown" and list the county and the year of the filing, if possible.

SECTION #5a.

Unless notice is excused by the Court, you must provide notice of this application to all other parties and attorneys before you deliver a copy to the Court. When you give such notice, specify how you did it (by fax, courier, or personally, for example), who received it and at what time and on which date. Also, please explain how you know that the other side received copies of your papers and what response you were given.

SECTION #5c.

If you believe that you should not be required to give notice of this application and are asking the Court not to require notice, explain why in this section. Check as many boxes as apply. You must also write out any further explanation of your reasons for not giving notice or provide a separate declaration.

After this form is completed, attach it to your application or motion and submit them to the Court Specialist's Office at the Family Court Facility where you are dropping off your paperwork for review.

DV-120 Additional Reasons I Do Not Agree[1]

I, Konstantin Mars, contest a temporary restraining order from 9/14/2022 for case 22DV000779, and testify truthfully to the facts stated herein.

1. Primary reason why I do not agree to the restraining order is that I am currently the only person in our family who cares about Max's safety, health, growth and future, and this restraining order prohibits me from keeping Max safe and from protecting him from abuse and abduction by Hanna Mars. See exhibits 1-9, 24-26

2. By Max's safety I mean staying in the United States with a parent who cares about Max and protects him from unnecessary dangers. And helping Max to develop good choices, safe, respectful and responsible habits.
   In contrast, Hanna together with her father threatened me personally to abduct Max and take him outside of the United States to Ukraine, where they promised to keep Max indefinitely - and taking into account war that is currently happening in Ukraine, this is the direct threat to Max's life. Caring parents take their children out from the war zone in Ukraine - but Hanna in the opposite is doing everything to obtain Max's documents, abduct him and take to the country where war is going on.

   We've been arguing about risks of staying in Ukraine during the war many times since July when Hanna became determined that she is willing to risk Max's life just to see parents. Story of 4 years old girl killed by Russian bombing in Vinnytsya on July 14 made our positions clearly absolutely opposite. My main concern is our son's safety - that means either Max will live in the United States and grow in a healthy and safe environment or will be put at risk of death every day in the war zone. And in my opinion the first option is the only option at this moment.
   Story of the 4 years old girl killed in Vinnytsia on July 15 become the cornerstone in our family conflict about travel: https://www.bbc.com/news/world-europe-62181726 , https://www.nytimes.com/2022/07/15/world/europe/russia-vinnytsia-liza-dmytriyeva.html

3. Hanna already tried to hold Max in Ukraine for unnecessary long period of time - 7 months (instead of originally planned 1 month) on December 24, 2019 - July 6 2020 (July 17 2020). See exhibits 20-23
   I asked Hanna to make a trip together, and because I had a small amount of PTO days I suggested to go for two weeks. But Hanna (who was a housewife at that moment) said that she is not restrained by any work or PTOs, and I will anyways pay for her entertainment - so she is willing to stay for a month at least. Later on she found different reasons to postpone her return, and after that COVID flight restrictions made flight

[1] DV-120 Additional Reasons I Do Not Agree

impossible for some time. In the end, Hanna's desire to stay longer turned trip to 7 months when she kept Max away from home and from me, preventing our communication and forcing parental alienation in Max.

And she stole a significant piece of time of adaptation to the United States from Max, so important in the first years after relocation.

4. By Max's future I mean that I provided Max Permanent Residentship (Green Card) as a primary applicant based on employment. And now Permanent Residentship grants Max the right to stay in the United States today and in future, far from dangers of war, and also being part of a modern, highly educated, friendly and supportive society. Max is happy to live here, has lots of friends and thanks to me has the legal right for the safe future. See exhibits 1-9, 24-26

5. Hanna did multiple attempts to prevent Max from receiving Green Card (she tried to hold Max outside country for unreasonable time, tried to prevent Max of getting required vaccinations, created fights, dramas and conflicts in the most critical moments to distract me from working on Max's case).
   Seems Hanna is jealous and trying to retaliate against Max for him getting Green Card - she created lots of scandals and fights, even on day when Max received Green Card Hanna created fight and drama, and first words were not congratulations to our son, but jealous "why Max gets Green Card, where is mine?"
   It insulted both Max and me, and Max was almost crying and very nervous - he didn't understand how to react, whether it is great achievement and reason to celebrate (as daddy says), or is it something very bad (as mommy says in her nervous and angry manner).
   Hanna's negativity and pushing Max away from little celebrations in life negatively impacts on Max over time - because she pushes Max away from healthy and happy life to disturbed and worried state of constant negativity that mom is forcing every day.
   Hanna's case was delayed, we checked together in August, and after multiple attempts USCIS finally provided RFE only later in September. Though, Hanna prefers to be violent and abusive, ruin our family, initiate divorce process and kick out me and granny from home instead of working together on her Green Card and Max's happy future.
   From talking to Hanna and her father I understood that they never were interested in staying in the United States and her goal was to divorce and return to Ukraine immediately after receiving a Green Card or even earlier.

6. By Max's health I mean that I am not only providing medical insurance and improving Max's living environment, but I'm also taking care of Max in case of any illnesses or accidents. For example during Max's right arm bone fracture (radius and ulna) recently, I insisted (despite hard arguing with Hanna) on the second opinion to ensure that we don't need angulation reduction. I brought Max to another doctor (who actually even Hanna liked more), I researched and provided instructions on home massages and additional therapy/exercises that we've been doing to recover Max's hand. And it helped. See exhibit 5

7. In contrast, Hanna (who probably neglected Max) was only shouting, crying and creating conflict and drama around Max when he got hurt and was crying in pain. I asked about reasons of trauma - but Hanna was distracted and couldn't explain what happened and insisted that Max will also not explain and not try to understand the cause and how to prevent it. When I insisted on the second opinion doctor, Hanna said "Don't care, Max doesn't need that hand, he is lefty". That was rude, cold to our child, and insulted me.

8. By Max's growth I mean that I'm helping Max with learning and growing as the personality, in understanding American mindset and English language, in developing good habits and being curious, positive and supportive. I'm also regularly introducing improvements in Max's education (that are disapproved by Hanna, but still make positive difference). See exhibits 1-9, 24-26

9. For example, when Hanna returned Max back to United States in 2020, I asked Hanna about sending Max to school (TK). But she rejected my idea and said that it's easier to keep Max in daycare. We argued about it, and in the end I insisted - and Max started school in 2020. Hanna was very angry, and retaliated with multiple fights and scandals - though, our son is now in school with other students of the same age, and is happy to have such friends.
   If I'll not insist - Max would be the oldest boy in the class, falling behind from other kids of the same age for one year.

10. Another example about education - starting first days in the United States I offered Hanna to start talking English and watching English movies at home at least a day or two in a week (that is considerably very small amount of time). But Hanna strongly rejected, started conflicting, fighting and screaming, and repeated it any time I tried to talk English and explain Max meaning of words or ideas of movies/stories.
    I'm insisting on talking English and being proficient in English in the United States. I do believe that it's the language that all people talk and understand around (Spanish is another language that we'd like to learn).
    I'm trying to talk to Max in English, we are discussing school, friends, movies and weather, new things and new places, and with me Max is happily learning language and gets significant improvements.
    Though Hanna disapproves our conversations and creates fights and dramas each time.

11. Another step in growth that I took (and that Hanna is trying to block again, now with divorce and restraining order) is that we've with Max choose new school that he likes, and that has rating 8 - comparing to our current school with rating 4 (see attached screenshots). This is significant improvement - but to feel that Max should be among best students, who actually put efforts and are supported by parents in their achievements. See exhibits 25-26
    Unfortunately, Hanna disapproves Max's achievements in school, and even prohibits Max from doing important homework in time. She forces our son to be late to school, to be unhappy, to be not interested, and not to do homework.

Recently Hanna event created conflict, drama and fight to prevent Max from doing homework together with me. She was constantly interrupting, shouting, forcibly pulling Max away from me, hurting Max, so Max started crying. And in tears Max said "mom, please leave me alone, I can do this homework together with daddy if you stop distracting me"
As result, after I helped Max to calm down, we did leftover of homework quickly and easily, and next day Max got a Vargas Dolphin badge sticker for being one of the first students who did this important homework in time. See exhibit 3, Picture 1
Though Hanna was disapproving Max's achievement, threw away sticker (that I occasionally found and stick back to Max's backpack), and was preventing Max from taking picture of this significant moment, commenting that "daddy is evil tyrant and you shouldn't talk to him".

12. Recently, in the beginning of September, we together with Max chose a new home, that Max loves and wants to live in, and I signed lease for that new home. New home has bedrooms for all family members, and Max already chose his bedroom. Also there is new school right across the street from new home with better rating (8) than our current school (despite we love current school and there are lots of friends that we'll stay in touch - it's a significant improvement, and I'd love to give Max chance to try it).
Though, Hanna disapproved our move, created huge scandal and fight, kicked me out of home with the restraining order (together with 94 years old granny) and keeps Max away from me and from any improvements in life.
I'm doing my best to provide decent life to Max and our family. Sometimes it's not so easy, and requires lots of efforts, but this is life - and after small period of being humble and hardworking, opportunities happen. New home is amazing opportunity for our family, and especially for Max - because it's time to stop sleeping with mom and have personal bedroom. Also it's time to focus on studying and school instead of constant fights and dramas that we had during last years with Hanna.
But unfortunately Hanna is holding Max back from anything good.
She is ready to fight and destroy our family, kick out me and elderly person (our granny, 94 yo) from home, abandon her Green Card case (because this is what she heard from immigration attorney with whom I organized her call to clarify her issues and help to decide whether we need divorce at this moment). Hanna's behavior is not simply abusive - it's destructive for our family, and I can't allow her to destroy Max's life by abusing and holding him in unhealthy environment. See exhibits 24-26, 10-11

13. Hanna is sleeping in Max's bed, abusing him during day and night, and installing bad mood and bad habits in Max's personality by continuous pressure on our son. It is recommended to give personal space and bed to children after 1 year old, but Hanna is still forcing Max to sleep with her even in 6 (in November - 7 years). She also creates mess and doesn't care about cleaning house, and forces Max to think that it is norm of life. Messy, nervous environment, that Hanna creates, is distracting Max from being focused, makes him cry and feel uncomfortable.

I'm trying to fix it with moving to new home (that i necessary taking into account that our family grew recently when we take great granny from Ukraine into our home). Everybody should have their own space.

14. If only Hanna would be little bit more patient and not creating all these fights and dramas - our family would move to a new home and live happily.
But unfortunately, Hanna stated her decision to divorce and signed agreement to leave premises. We discussed this step, and she confirmed intent to find new apartments. I agreed that even after she signed a move out agreement she can live with us until she finds a new place.
But Hanna changed her mind multiple times in a week - she shouted, screamed, fought one day, shouting that she will divorce and fly to Ukraine right away, and another day she asked my permission to stay with us. I allowed her to stay - because despite her abusive behavior I believe that she could improve and become better one day. I do believe in people.
I also took Hanna with us with Max and showed her beautiful affordable casitas (for $1,500 and $1,700) near our new home, fully renovated and with all appliances - so Hanna could pick Max from school and take care of him when she wants, living close by - but Hanna rejected, created scandal, drama and fight, forcibly pulled Max and shouted saying that she wouldn't live in casita and wants a house. I said that if she made a decision to separate, and is acting into this direction, than it's worth to start small, ensure that she is able to establish budget and can live by herself before taking Max - because Max has home at this moment, and has parent who provides to him and who cares about Max, and I will not prevent her from coming to us, or even staying with us, but the only condition is to avoid conflicts, fights and dramas in front of Max. Therefore after Hanna made decision to separate it was completely reasonable to start planning fresh start - and I was ready to help Hanna with money, advise and anything that she needs.
See exhibits 27-29

15. Recently, on September 15, 2022, Hanna proved that I shouldn't believe in people. Using temporary restraining order, she took forcibly our son, Max, from me, and kicked me out from home together with 94 years old granny, who needs constant care and has impaired vision, hearing and moves only on wheelchair. This was act of violence against our son and our family that ruins our family completely. I don't know how to explain what Hanna did to our son. I'm curious, how does she explain her decision?
See exhibits 10-11

16. Few notes to contest what Hanna stated in her Declaration:

17. P.3 and p.4 - There were no conflicts before moving to the United States. Or at least I don't remember them.
Hanna says that moving to the United States was "best for our son" - though it's probably evident that quality of life in the United States is in general better than in Ukraine, especially currently during war. This was an improvement for all family members including Hanna.

I started using the bedroom as the home office during COVID pandemic while Hanna was staying for 7 months in Ukraine, keeping Max there. In empty apartments it helped to be more productive and avoid feelings of loneliness and bad thoughts about losing family.
When I was able to convince Hanna to return and she brought Max back to the United States, I gave bedroom to Max and we resided with Hanna in the living room.
Though, due to some psychological issues, Hanna was not able to sleep with me peacefully, and created conflicts and dramas even at nighttime - and this introduced a big disturbance into our organized living space.
Yes, later on Hanna's abusive behavior forced me to change places to avoid conflicts with her, in hope that she at least will not abuse Max because he is Hanna's son - though it was my naive hope, as I discovered later.

18. Hanna definitely intervened, preventing us from spending time together with Max, forcing parental alienation and creating dramas where she tried to imbue Max fear and hatred against me. When I touched Max, Hanna was shouting, pulling Max forcibly away and tried to stage "that I was allegedly hitting Max" and she was telling this to Max, repeating many times to ensure that Max remembers her version of dramatisation. I tried to calm down situation, explaining that there's nothing bad and father should have time with the child, and mother should not prevent us from communication.
That times back I didn't know about parental alienation, and believed that over time Hanna's hysterical behavior will self-fix if I'll create more quality family time, will be caring and polite, and I did my best, organizing weekend trips and holidays to explore places, rest on beach or play together. I've put my heart and soul into each moment we had together as a family, and saw how positively it influenced Max - he got rid of psychological cramps that Hanna installed to him, and became a happier, smiling and sunny boy. Max really enjoyed our family time and every opportunity to be with dad.
Though, Hanna became jealous and angry and each family trip usually ended in conflict and fight with her in front of Max, after which Hanna accused me in front of Mac and said that "father is a tyrant and is forcing us to go to these places. I'd better sit home with you!" (By places she meant Universal Studios Hollywood, Golden Gate Bridge, Santa Monica beach, etc. which she also enjoyed trips - though in the end of the day becoming mad and creating conflicts, dramas and fights)
See my Instagram account constantine_mars or attached screenshots from it to know more about our family time and moments of Max's life that I'm trying to capture for future Max, so he could remember family not from parents divorce and fights, but from brighter side, that actually is much more important for growing Max healthy, happy and confident.

19. P.5 Regarding spanking - yes, I showed Max once what does that word means, playing scene of spanking his bottom - when Max asked about it after watching one of the episodes of "Simpsons", where they mentioned spanking. I probably repeated this "play" few times later when Max did some bad things - only showing raising hand above Max's bottom, but never hurt Max and never took it as serious punishment. This was more of a game to "I'll spank you - no, try and catch me!".

Max took this lessons as game and was many times joking later "spank me, I did something bad!" with the smile and trying to play hide-and-seek with me - though, after some time it started looking weird for me and I refused to play this anymore.
I explained Max that educational purpose of knowing meaning of this word was achieved - and he should never be afraid of any physical punishment, and be brave and confident in life. Also I explained that it's more important to be responsible and make good choices - to control your life and not allow anybody, including parents, to "spank" or punish you. Education of making good choices is the long path - and there were many other topics that we are working on with Max. Unfortunately, Hanna never tried to understand me, and created fights and dramas each time I was talking to Max, on many of other topics (even about how to do conscious text/voice search of videos on YouTube instead of just swiping pictures from suggested videos).

20. P.5 Yes, I did say Hanna that she is preventing me from raising our child, and tried to explain her that boy should have father to develop important for boy parts of personality. Also, yes, Hanna's influence makes Max making not a good choices, and Hanna is nurturing culture of being messy, disorganized, crying frequently, being too touchy, disrespecting people (especially elderly people) and being inattentive.
Yes, that is true that our positions on Max's development are opposite on these topics: I do believe that Max needs to be organized (and it's easy in clean, healthy, organized environment and with parental support), boys don't cry (unless there is some really strong reason - though, developing boy mentally strong is a good thing in my opinion), being respectful, responsible and attentive are parts of my family culture and are also taught in Max's school currently (there was even special paper that we had to read with Max and sign about being "safe, respectful and responsible).

21. P.6 Yes, I took Max's documents from home after Hanna directly said that she is planning to abandon everything and fly immediately to Ukraine with Max. I had conversations with her parents about this, asked them to provide Hanna mental health support (mentioned that I'm afraid to intervene with her mental health issues taking into account our misunderstanding and I prefer to keep Hanna's issues private). Parents agreed to help Hanna with psychologist help, but her father nervously stated that he is against Max's future in the United States, he wants to abduct Max, take him from the United States and keep in Ukraine for indefinite time, and "will raise Max without father" - on Hanna's father opinion, my son doesn't need my as father. That was abusive and insulting. I tried to calm him down, though he continued arguing. Later on, in another talk, Hanna's father said that they will take Max from me either legally or illegally, and it doesn't matter for him how. That was a direct threat.
I feel that Hanna's actions, especially restraint order that she requested to kick me out of home and to take custody of Max are the direct result of thoughts that her father said, and that she also said before - regarding abducting Max and taking him out from the United States to keep him indefinitely with grandparents.
Taking into account these threats I removed Max's documents from home and keep them in the safe place to avoid sudden abduction.

After Hanna's restraint order I see direct threat to Max to be abducted and taken out from the United States, and ask you to protect Max from abduction.

22. P.7 As I already mentioned, Hanna tried to prevent Max from obtaining Green Card multiple times, and vaccination was only single of them. Yes, we had confrontation about it - but I didn't have much time for arguing with Hanna and left her because had another appointment. Hanna had VW Tiguan and we've been driving on two different cars at that moment.

23. P.8 I tried to be polite, and Hanna is altering my words. But yes, Hanna definitely was threatening Max's green card process, and it was too significant to leave it without attention.

24. P.9 Yes, I was driving Max to school recently - for a few reasons. I wanted to save Max from abusive pressure of his mom, who was shouting and installing negativity every day. I saw that because of Hanna's agitation and intents to separate and leave country, she is making bad influence at Max, and I tried to outweigh this negativity with something positive: Max likes my car (it's 2022) and he enjoyed to playing in it, I turned Max's favorite songs and was talking on positive topics with Max, we've been practicing English and discussing school and friends.
    Unfortunately Hanna was very aggressive, and was intervening every day, not giving us with Max single day to stay together. She was talking negative things and creating fights and conflicts in front of Max both in the car, in the school, on the way to school and back, on the extra lessons.
    In contrast, I always trusted Hanna her time with Max, and didn't intervene when she took Max to extra lessons or to school - until she stated that she is determined to divorce, abandon Green Card and leave country, abducting Max. After that moment I was much more cautious regarding what Hanna is doing and where she goes with Max.

25. P.10 Hanna signed remove tenant agreement by her own. She was not forced by anyone - though, I initiated email conversation to help Hanna to confirm her intent, because intent was significant and I was tired of stopping her from doing stupid things.

26. P.11 We had discussions regarding whether to include Max in a new Hanna's lease and I suggested her to not include Max to get better deal, because casitas that we've been seeing usually had restriction for number of tenants, and it makes sense to start small and change things later on. As I mentioned to Hanna, she probably can add Max later and that shouldn't be an issue if she really wants it - but for the beginning simple fact that Hanna has some place to live and it matches her income and budget is more important. I am not very rich - and support that I will provide to Hanna is anyways limited by my current salary (that I will disclose if necessary, and it will be included in forms, attached to divorce case). I also need to provide for Max and granny - and Max already has a new place to live and proof of residence, so Hanna doesn't need to worry about this formality.

After discussing this Hanna became mad, started conflict and insisted on need to have Max on her lease to take Max from me legally. To which I answered that it is much more important at this moment to care about Max's life, safety and happiness, and provide Max with a decent place to live and a new living schedule than to divide our son like a property. Hanna became even more angry.

27. P.12 Hanna rejected doing finances together back in 2015, when I first time tried to introduce her to idea of family budget, utilities and income/expense. Hanna started fight and drama, and I took burden of family finances on me, because didn't want to upset her - because we just started living as family. I will disclose my financial statements as required, but this also means that Hanna's expectations should be more reasonable, because I was giving everything to my family, and was giving Hanna advices regarding choosing new property knowing numbers. I believe it is better to spend extra money on Max, than to rent super-expensive big apartments that Hanna will be unable to pay even with my support. Money should serve people, in our case the main man in our family is Max (and he already got enough challenges this year, taking money from Max is not fair).

28. P.13 Yes, I had conversation with Hanna's father, who is interested person in our case, and who stated clearly to me that Hanna will abduct my son, take him out of the United States, bring Max to Ukraine and he (Hanna's father) will grow Max in isolation under sounds of sirens and bombings away from me, risking Max's life every day, just to hurt me.
After that we discussed Hanna's plan and since she confirmed my worst concerns, I asked her to find new apartments as quickly as possible. The most reasonable timing was end of the week to leave two or three weeks until our already signed move out date (10/11)

29. P.14 Yes, Hanna has some psychological (or maybe mental) issues. But I tried to keep them private all the time. Yes, Max heard how we discussed Hanna's progress with psychologist, and I said that everything will be fine and Hanna will NOT go to doctors. Hanna is stating opposite to accuse me in things that I wouldn't say our son. Despite all madness that Hanna already did and said, I know that this case and confrontation will end, and after years, Max will live with memories of this time - memories based on facts from life that he lived because of his dad and mom. And how badly we may hate each other at this moment, we should stop immediately, and think about Max's future, safety and health. We should care about Max together - and his future is the main importance in this case.

30. I am asking to release previous restraining order and requesting a restraining order against Hanna protecting both me and Maksym. I am requesting full legal and physical custody of Maskym and Hanna to be ordered to immediately vacate the property.

Hello,

Hope you are doing well.
Yesterday's trial lesson was exciting for my kid, thank you very much Beth!

Just a quick question before we sign up - which payment methods do you accept?
I've received a paper enrollment form yesterday that contains fields for credit card information - but as a software engineer I feel extremely uncomfortable about putting credit card information on a piece of paper, since papers tend to be lost or taken by strangers (simply saying - insecure). I hope you have more reliable alternatives.
Do you have an online form for enrollment, or do you accept cash?
Thank you.

Other Instructions
Discharge Instructions
Hospital Discharge Instructions from your doctors:

Dear Nadia Niekhliebaieva,

1) During this hospitalization, you were diagnosed with Delirium. This is a condition in which you can get confused from being in a new place or new situation.

2) Here is a brief summary of your hospitalization:
After coming in with concern for seizures, we felt that delirium was the most likely cause. Typically there are 3 main causes for these types of falls and seizures. Cardiac, dehydration and neurological. Our cardiology team saw you and provided recommendations stating that while you did have some cardiac nodal disease this was likely not the reason for these episodes. You were given fluids during this admission which did not correct the problem. And while we did not find a change in your brain that would explain these episodes, the delirium would not be shown through any structural change. You had episodes of the shaking while you were here and were given Ativan, which is the treatment for seizures, however continuing this medication may make you more confused. You were also given Zyprexa during this admission to help calm you down as well. You were also seen by our opthamologists for you history of glaucoma and they recommended latanoprost and following up in their outpatient clinic.

3) Key medication changes include:
Latanoprost, Metoprolol Succinate 25 mg, Melatonin and Lisinopril 5mg.

Please see the included medication list on the previous pages for more details.

4) Follow up:
It is important that you follow up with a doctor's visit in the clinic after this hospitalization.

It looks like you do not have a Primary Care Physician (PCP). We will try to schedule a follow up appointment in our post-discharge clinic which is located at our Urgent Care Clinic. The appointment should be listed below. Please call Valley Connections 888-334-1000 to connect to the Urgent Care Clinic to reschedule your appointment or for any non emergent questions.

After discharge it is important that you:
Follow up with PCP, Ophthalmology, Cardiology.

If you need to be seen for a non-emergent medical issue and your primary care physician is not available, consider going to any of our urgent/express care locations. Information regarding Urgent/Express Care can be found at https://www.scvmc.org/health-care-services/Urgent-Express-Care/Pages/Overview.aspx

For any medical emergency, please call 911.

Thank you for choosing Santa Clara Health and Hospital System. It has been a pleasure taking care of you. We hope you had excellent care.

ACKNOWLEDGMENT OF RESIDENT(S) NOTICE OF INTENT TO VACATE AND NOTICE OF OPTION FOR INITIAL INSPECTION

To Resident(s): Kostiantyn Mars

(All residents in possession and all others in possession)

of premises located at 970 CORTE MADERA AVE, Sunnyvale, CA 94085, Unit #716.

1. By signing below, Landlord acknowledges and accepts receipt of your Notice of Intent to vacate the above unit, effective September 9, 2022 (date). Landlord/Agent has reasonably relied on the date to vacate as set forth in the Notice of Intent to vacate, thereby making the notice irrevocable.
2. Your tenancy will be terminated as of October 11, 2022 (Month/Day/Year).
3. Please note that you cannot use the security deposit as last month's rent. Resident is responsible for payment of monthly charges through the termination of tenancy (i.e., through and including the last day of the Notice period).
4. Monthly charges must still be paid in advance on the normal rental date, prorated to the end of the tenancy as follows:

Monthly charges for the following month(s):		Monthly charges for the following month(s):	
From: October 1, 2022	To: October 10, 2022	From: October 11, 2022	To: October 11, 2022
Total Charges: $836.45		Total Charges: $92.00	

5. You have the right to request an initial inspection of your unit and to be present during that inspection, which shall occur no earlier than 2 weeks before the termination of the tenancy and during normal business hours. This inspection may be done in your absence with your consent. Alternatively, the Landlord may schedule an inspection of your unit within 2 weeks of your move-out date. You are free to change the date and/or time of this inspection. At this initial inspection, the Landlord/Agent's will provide an itemized statement specifying repairs, items to be replaced or cleaning that are proposed to be the basis for the deductions from the security deposit. This purpose of this inspection is to allow you the opportunity to correct any deficiencies in the unit in order to avoid deductions from the security deposit. You may not make any repairs to the residential unit that are prohibited by the rental agreement or lease. **The itemized statement will not be the final accounting of deductions from the security deposit.**
6. No later than three weeks (21 days) after Landlord/Agent has regained possession of the premises, Landlord shall provide Resident with an itemized statement, indicating the basis for, and the amount of, any security received and the disposition of the security and shall return any remaining portion of such security deposit to the Resident.
7. California law provides that Landlord/Agent may exhibit the premises to prospective residents provided that you are given reasonable notice of Landlord/Agent's intent to enter with entrance during normal business hours. (Twenty-four (24) hours written notice is presumed to be reasonable, if the notice is personally delivered to you or someone in the unit or left on or near the front door.)
8. California law further permits former tenants to reclaim abandoned personal property left at the former address of the tenant, subject to certain conditions. You may or may not be able to reclaim property without incurring additional costs, depending on the cost of storing the property and the length of time before it is reclaimed. In general, these costs will be lower the sooner you contact your former landlord after being notified that property belonging to you was left behind after you moved out.

Regarding case # 22FL003144 Mars emergency screening RX after meet and confer agreement 2/9/23

nancy roberts <nlrobertslaw@sbcglobal.net> Wed, Apr 19, 2023 at 1:35 PM
To: Constantine Mars <constantinemars1@gmail.com>, Department 79 <department79@scscourt.org>
Cc: Mary Rolison <drmaryrolison@gmail.com>, Anna Mars <annamars2017@gmail.com>

To clarify: the post-emergency screening hearing will be necessary. Mr. Mars is confusing my request for Dr. Rolison's testimony at the post-emergency screening hearing with the ex parte hearing that he set. I am still awaiting another witnesses availability in order to get back to Dr. Rolison and the court as to dates.

A continuation of the ex parte hearing that Mr. Mars set for Friday, April 21st must be continued as (1) my office was not timely served, and (2) Ms. Mars has surgery on Thursday and cannot appear. I have several times provided Mr. Mars with dates on which I am not available.

Due to the increase in Mr. Mars' delusional behavior and the fact that the February 9, 2023 stipulation still contains inaccuracies that were rectified and agreed upon by counsel prior to Mr. Mars' former attorney's withdrawal, the post-emergency screening hearing will be necessary. Mr. Mars was never presented with a stipulation that allowed unfettered travel with the minor child and that provision remained the same throughout the modification of the stipulation. Again, this is part of Mr. Mars' delusional disorder. Mr. Mars submitted a fraudulent copy of Dr. Rolison's recommendation to the court with his ex parte motion. Ms. Mars has not yet moved to another less expensive apartment in the same area in which she currently resides and it is Mr. Mars who will not provide his residential address. Mr. Mars is not visiting the minor child because his chosen professional visitation supervisor refused to work any longer with Mr. Mars due to his failure to follow rules and Mr. Mars has failed to obtain a new professional supervisor. Mr. Mars does not have a court order to communicate with the minor child outside of supervised visits, but nonetheless sent highly inappropriate text messages to the minor.

In summary, the April 21, 2023 hearing must be continued and we will be scheduling a post-emergency screening hearing at which Dr. Rolison will testify.

Kostiantyn Mars Supervised Visits

nancy roberts <nlrobertslaw@sbcglobal.net>
To: Lorraine Ruiz <ruiz515115@aol.com>
Cc: Constantine Mars <constantinemars1@gmail.com>

Mon, May 8, 2023 at 4:29 PM

Dear Ms. Ruiz,

I reviewed the note you sent to the court. I know that you are new to this case and I have no idea what Mr. Mars has stated to you. However, I am writing to verify that indeed the emergency screening recommendations of Dr. Rolison do recommend a mental health evaluation of Mr. Mars by a qualified psychiatrist. Mr. Mars has delusions regarding his wife's kidnapping and killing of Maksym in the Ukraine and in the past has continually discussed these delusions with Maksym during supervised visits which is why, in part, the former supervisor terminated visits with Mr. Mars. Mr. Mars compulsively discusses this kidnapping with Maksym, has inappropriately told him his grandparents will kidnap him, and has told Maksym that he will be killed in the Ukraine. This is why Ms. Mars was very concerned about your policy if this behavior continued during Mr. Mars visits with you supervising. It appears that Mr. Mars cannot regulate his behavior and has also spent visitation time with Maksym in the past telling Maksym that he will "have a new mother," hence Maksym's other comments to his father about his marriage and having other children. All of this is well documented in the prior supervised visitation reports.

I can also assure you that Maksym heard over and over again about the "termination" of the visit when the former supervisor would tell Mr. Mars that the visit was terminated or terminating early due to his behavior. Ms. Mars does not use that term and her English is limited.

Ms. Mars has also informed me that either her English was not good enough for you to understand, or you did not hear her, but she said at the last visit that Maksym had a stomach ache the night before and that was why he could not have a coke at that visit.

I would be happy to share any number of the past visitation reports showing the reason why Ms. Mars is concerned and why Maksym resorts to telling his father that he may not "talk about his mother." I am sure in time that you will see for yourself.

PROFESSIONAL SUPERVISED VISITATION REPORT
MAY 4, 2022

Case Number: 22FL003144
Provider: LORRAINE RUIZ, PROFESSIONAL SUPERVISED VISITATION/EXCHANGE
Custodial Party (MOM): HANNA MARS
Non-Custodial Party (DAD): KOSTIANTYN MARS
Judge: HONORABLE ANDREA E. FLINT

Lorraine Ruiz Provider Professional Supervised Visitation: The public policy of the State of California is to protect the best interests of children whose parents have a custody or visitation matter within family courts. Professional supervised visitation can be difficult and uncomfortable at times. Often times there are hurt and angry feelings toward the other parent, and it seems impossible to have a positive attitude about professional supervised visitation. In compliance with Family Code 3200.5 , both Parties participated in an Intake/Orientation with Lorraine Ruiz, provider of Lorraine Ruiz Professional Supervised Visitation/Exchange. Parties were informed of the terms and conditions of supervised visitation prior to signing a written contract. In compliance with STIPULATION AND ORDER dated 1/25/2023, NCP(DAD) shall have professionally supervised visitation with the minor child up to three times per week for two hours each. TEMPORARY ORDERS Ex Parte scheduled 4/21/20223 rescheduled to 5/10/2023. During Intake/Orientation, Mom mentioned several times that she is learning English. Mother, Father and child are all limited English Learners. During Mom's Intake Mom told me that the previous Supervisors wrote a report and canceled Dad's visitations due to Dad's outbursts. Mom asked me "what happen if Dad say things about me?" Supervisor: "If Dad violates the Court Order, I will terminate the Visitation." As a Master teacher of English Language Development for Santa Clara County, I find it highly unusual that a child in First Grade would use the expression "We terminate Visitation."
Safety Concerns: During the initial Intake and Orientation, both parents shared their safety concerns, per contract and Rules of Court, both parties were advised of maintenance and disclosure of records, including confidentiality policies.
CONCERNS MOM-CP: Mom said Dr. Rollins said Dad has a mental illness. Mom shared with Supervisor: "Dad said to Max: "First remember Mom abuse you go to teacher tell teacher to file Restraining Order against Mom. "Your Mom don't want to see you" Your Mom want to go to Ukraine to kill you."

Subject: IRMO Mars

Dear Mr. Romero,

I have spoken to Ms. Mars as to any counter-offer she would like to make as to settlement of the restraining order and custody issues. Ms. Mars counter is based upon her fear of your client and her fear for Maksym in his father's care. She would definitely be most comfortable taking the issue to trial; however, in the spirit of settlement while still feeling that she and Maksym are protected to some degree she offers the following:

1. A DVRO shall remain in place against your client for one year from the date of any agreement at which time if there have been no violations, it will become a peaceful contact order only, such as the one you drafted.

2. Your client will be required to take a 16 week parenting without anger class and a 16 week co-parenting class.

?

3. Your client's visitation will remain supervised until he has finished the classes above and files a motion with the court seeking modification of the order. Sole legal and physical custody will remain with Ms. Mars until further order of the court (see below). Your client will agree to a FC section 3044 finding.

?

4. OR, if you client does not wish to agree to 3 above, 3 will be replaced with the requirement of supervised visitation until after completion of the emergency screening and then both parties either agreeing to the recommendation, or if not, having the court hear the issue after the recommendation."

blocked by Respondent

As it took me longer than expected to discuss these issues with Ms. Mars and the screening is commencing this afternoon, please respond as soon as possible.

To whom it may concern:

It is an honor to write this statement in support of Mr. Mars gaining custody over his son, Maxim Mars.

As a neighbor, I've known Mr. and Mrs. Mars for two years. In that time, our families have quickly become friends, and we have spent time together on numerous occasions. Mr. Mars has always struck me as an intelligent, thoughtful person of good character. I firmly believe that he is a great father figure for his son, Max.

As a friend of the family, I've witnessed a strong bond between Mr. Mars and his son, the kind that fathers and sons should form. We've participated in multiple activities together, and every time I saw Mr. Mars being supportive and encouraging towards Max. Being a professional software engineer and a tech enthusiast, Mr. Mars has invested a lot of effort to spark and develop Max's interest in science and technology. In all our interactions the two of them have always acted as loving and caring father and child.

It is my hope that you take note of this statement of recommendation for Mr. Mars to have custody of his son. I have all reasons to believe that Mr. Mars is a good person, and that him remaining a father figure to his son would benefit Max greatly.

Sincerely,

Alexander Pirozhenko

To whom it may concern,

Kostiantyn Mars works with EPAM Systems as a Lead Software Engineer and reports to me since May 2021.

As an employee, Kostiantyn Mars always demonstrated great performance on projects, being proactive and highly organized, focused on business goals, being a great communicator, respectful and supportive of colleagues. In my team, he manages a unit of 5 people, and all subordinates had provided positive feedback about working with Kostiantyn.

I've always put a premium on building good relationships and developing team spirit among my team members and Kostiantyn Mars never failed to deliver. He also helped us to start new initiatives for building the engineering community and helping colleagues to grow professionally and establish good in-person networking. Kostiantyn was supportive and creative while working on this initiative and inspired our colleagues to contribute even more, become speakers and co-organizers, and establish better relationships not only as professionals, but also as people.

Kostiantyn is a delight to work with and I wouldn't hesitate to recommend him as a great engineer and team player.

Respectfully,

Affidavit

My name is Alena Chepakovich and I have been residing at 1055 Escalon Ave, Apt 306, Sunnyvale, CA, 94085 since February 2021. I have been neighbors with and have known Kostiantyn Mars and Hanna Mars for approximately one year. I met them several times at friends' parties and family gatherings and I can state that they were friendly to each other and attentive to their son, Max.

I remember that Hanna complained multiple times about her current living situation as they lived together with Kostiantyn's grandmother who is 94 years old, although Kostiantyn took full care of her while working and providing for the family. On two occasions with me and other people present, Hanna expressed her strong dissatisfaction with Kostiantyn's grandmother situation while revealing unnecessary details about the old women's condition that were quite disrespectful and inappropriate in a discussion in a group of people some of whom she met for the first time. On one occasion Hanna was also enquiring about a possibility of placing Kostiantyn's grandmother to a senior living facility. It was obvious that she did not want to live together with Kostiantyn's grandmother.

Hanna also mentioned that she wanted to go back to Ukraine, which (considering the ongoing war there) is dangerous for both her and her son. In my opinion, Hanna is quite depressed and stressed out about her current situation and I feel that she might want to seek professional psychologist help.

I feel that this whole situation with the family splitting up could have been easily avoided if both parties tried to be more considerate towards the needs of each other. They have a wonderful son Max, who deserves to have both loving parents. I think that for the sake of their son the parties should reconcile and find an arrangement suitable for everybody.

I hereby declare that whatever has been stated above is correct and true to my knowledge.

Supervisor took the Minecraft swords and Max gasped as he was holding his. Supervisor said he got Max a present for his birthday. Max smiled and said what. Supervisor put two toy cars on top of his car and asked Max which toy car he wanted if the blue or red. Max decided red. Supervisor heled Max with the swords as he carried his present. CP thanked Supervisor for the birthday gift. Supervisor said bye to CP and they walked together to Braly Park. Max said he knew the way and guided Supervisor. Max and Supervisor walked behind CP and he said boo. NCP said hello and happy birthday. NCP hugged Max and continued to set up the birthday table. Max said he thought it would be sonic because he was more into Sonic now. NCP said it was okay. NCP showed Max the piñata and Max said it was a videogame controller. NCP said yes. NCP and Max put a turkey figurine in the park.

NCP continued to set up the table and then excused himself to let friends know where they were. Max and Supervisor blew the balloons and put them together. NCP came back with one of Max's friends. Max said hello and they went to the jungle gym. They went around and NCP and his friend said hello. NCP told his friend about speaking English as the kids were away. NCP's friend introduced himself and said hello to Supervisor. Supervisor said hello. NCP apologized a couple of times because he said everything looked at mess. The people there said it was alright. NCP went to get more friends. More of Max's friends came and they continued walking around the playground and playing. The kids spun around on one of the machines and the fathers sat around near the table.

NCP set up the piñata. Four of Max's friends lined up at 2:25pm to hit the Piñata. NCP asked Supervisor if he could take pictures. Supervisor did. The kids took turns and hit the piñata. Once a candy fell out one of Max's friend let Max hit it. Max took out all the candy by hitting the piñata. Some of the parents nearby who were not associated with NCP told their kids to not get candy. NCP said it was okay to let the kids enjoy themselves and grab candy. More kids joined in and got candy. Max and his friends joined NCP at the table. NCP said he was going to set up the cake and

if they could go play in the meantime. NCP took pictures of them playing together. Supervisor offered to take a picture of everyone together. Supervisor gave the four kids a Minecraft sword each and they played around the jungle gym hitting each other and running around. NCP had Max look at the cake and Max read that it said Happy Seventh birthday Max. Max commented that not many cakes say his name. NCP laughed and said he knows and he had it made for him. NCP said to play around as he set up the cake. They played until 2:48pm when another one of the dads called the kids over for cake. They sang happy birthday to Max and Max blew his candles and thank you. NCP took pictures of them throughout. NCP cut the cake and gave a piece to the kids and parents. The kids ate cake and drank water or coke.

Max finished and continued playing around. NCP followed the kids around with soccer ball and they chased each other kicking the ball. NCP helped some of the kids shoot the bow and arrow. Max and the other kids chased each other. Max notified NCP he needed to use the bathroom at 3:16pm. Mac jumped from one of the structures then ran to the bathroom. Supervisor went with NCP and Max. NCP assisted Max with peeing and helped clean him up. NCP said he felt bad he forgot one of the kids cant have sugar and he forgot to bring something for him. Supervisor said that normal and specially since everyone has some type of food allergies.

Max got out and ran to play musical instrument. They hit the drum pieces together. Max threw one at NCP and NCP said that hurts. NCP said that was not how to play and showed him how to do it on the instruments. They stopped playing after a bit and Max ran back up the hill and to the table. Max took more sips of his drink and played with the other kids. NCP began cleaning up the park. NCP offered anyone cake or candy. Some of the parents began departing and had them say goodbye to NCP and Max. The kids took pictures together. Max and another one of the kids played roughly with one another and the swords. NCP told them both to be careful. They played with another child. They ran around the structure. The other child was younger so he continued to hit Max hard. Max told him to stop but the other child continued. Supervisor went over and said for the other child to please stop and he smiled as he stopped hitting Max. Max asked who he was and why was he hitting him so hard. Supervisor explained to Max that kids at that age they don't really know how hard they are swinging and that this is only pretend. Supervisor said he is sure the other child did not mean to hurt him. The child smiled and continued to chase Max. Max screamed. Eventually more friends left and they did a group hug. The parents talked about how sweet that was and how they were best friends. NCP thanked the parents for coming as he continued to clean up. More of the parents left. Max asked NCP to push him in the swings. NCP did for a few rounds.

Supervisor notified NCP that it was almost time to go. Max said that he did not want to go and began running around. NCP said that was not polite and our friend was nice to come and we have to be respectful of his time. Max continued to run around. NCP chased him and Max played with NCP as he chased him. NCP hugged him and kissed him. They walked back to the table. NCP asked Supervisor if he could help Max with the birthday presents and cake. Supervisor said yes but he may need to take two trips. Supervisor helped Max pack up the belongings and carried it. Max continued to say he did not want to go and continued to run around. NCP chased after him. NCP said that they really had to go. Max said no and laughed as he continued to run around. NCP said they really had to get going and they had to be respectful of their friends time. NCP kissed Max once more and gave him another hug. Supervisor walked Max back to CP. Supervisor helped put all the belongings with CP. CP thanked Supervisor.

Shortly after the visit, Supervisor lost his keys and contacted NCP to see if he left it behind at the bench. NCP nor Supervisor were able to find it there. Supervisor called CP and asked if he could look at the car and perhaps it was in the belongings as he dropped off the presents. CP said she can turn around. Supervisor walked back over to CP and they met again as NCP continued to clean up the park. Supervisor checked and did not find it. Supervisor apologized. CP said to please let her know if he finds it and she will help him look. Supervisor thanked CP and she left once again. Supervisor went back and NCP asked for some of the parents to see if they found a found. The parents asked their kids and no one had it. NCP searched the grass area and found it. Supervisor thanked NCP and confirmed visit details for tomorrow. Visit ended.

Max said it was so cold in here as NCP said sorry as he placed Max's jacket on him. As NCP spoke, Max asked if he could please do his work. Max said it's my rules now. NCP said okay that sounds good. Max then pointed out the crack in his eraser. NCP giggled and made a joke where he said a character said 'ahh I have a crack in my ass'. Max looked at NCP and said stop don't say those bad words.

Max then spoke about how him and CP were fighting the ants which came in the house. NCP said he can use the ant poison that he put underneath the sink. Max said no he didn't want to touch it. NCP said your mom can. Max said stop, please stop. NCP giggled and said what you saying stop as if I'm saying something bad. Max finished up his homework. NCP said now they can go find a restroom. Max said he wanted to play. NCP handed a small action figure of buzz light year. Max said ah I don't like buzz light year and Toy Story. NCP giggled and said that was just close to the other guys. NCP took out the invitations for Max to decide which one he wanted to use. Max selected the batch he wanted to use. NCP gave the pen to Max to write on it. Max wrote out his friends names he wanted to invite. NCP helped Max fill out the invitation with the time and location. Max said his birthday wasn't on thanksgiving it was tomorrow. NCP said he knew but they had to do it this way with the rules and said that they very much restrained not that he set it up like this. NCP said that they had two different parties since CP kicked him out the house. Max said why. NCP said he didn't know why, ask your mom. NCP said he didn't even know if CP was setting a party up. Max said stop can we please stop talking about this as he sighed and continued to write out the invites. NCP asked Max did mom tell you that we had to live seperately. NCP added to say was it me or her that decided that. Max said don't make me angry. NCP said I know it's a hard topic for me and for you. Max said stop as NCP said okay I'll stop. NCP then said I see you need to go pee so I'll look for a restroom. Max said I don't want to pee, I want to play. NCP said okay so you don't want to pee. Sounds good. NCP then said he'll show Max what to write to his friend. NCP said 'but you mustn't say'. NCP typed it out on his phone and showed Max. Max wrote it out and added a heart. Max showed Supervisor and said happy thanksgiving to him on his card that he wrote. After finishing up, Max took out his phone to play on it.

At 6:09pm, NCP said let's go take a walk and then go pee. Before leaving, NCP told Max he left buzz light year on the table. Max said he didn't want it. NCP crouched down and said tell me why. Max said you didn't even ask me if I wanted it or not. NCP giggled and said that's not very respectful. NCP said it was okay and walked hand in hand with Max to find a restroom. NCP said library could have restroom. Max said why I don't want to read a book. NCP then looked for the restroom and realized that there was a code on it. NCP said it was a good try. NCP then spoke about a friend who he wanted to visit in Florida. NCP asked Max if he really thought he was going to live with CP all his life. NCP said that it's up to him. NCP added to say that he shouldn't let mom decide things for him, you a free man. NCP told Max that he had constitutional rights. Max said mom has a good heart. Max added to say that mom has a green card. NCP said right but she isn't American. Max then said stop. Max added to say that I know you wanted to cancel moms green card. NCP stopped and said that's a lie. Max said I know you lie. NCP crouched down and said why would I lie. It's a lie. Max said can we stop. NCP said okay fine as they continued to walk. At the stop light to a new restroom, NCP asked Max why he was angry. Max said no I'm no

angry. NCP then again asked Max and said he was curious as to why mom took him away from him.

At 6:26pm, NCP found a restroom at the gas station. NCP used the restroom with Max inside as Supervisor held the door. After using the restroom, they crossed the road again and NCP said they could go see sonic really quick NCP walked with Max to the arcade. NCP and Max arrived at the arcade at 6:42pm. NCP and Max took a selfie in front of the store. Supervisor then told NCP about the fact that he didn't listen to the rules and that this visit should end. Supervisor left a text on NCP's phone too about not following the rules. NCP said he understands and told Max he had to go. NCP finished a game at the arcade with Max. NCP asked Supervisor to let him know more about this that occurred as he needed some advice. Supervisor shared his location with CP to say she can come already. CP took a while to arrive as it was earlier than visit times. CP said she parked and let Supervisor know that she'll let him know once she was outside. Supervisor arrived with CP at 1:57pm to their parking lot. Supervisor said hello and complimented Max for being ready for the sun by having his shades on. Max smiled. Supervisor went to get his hat sine they were hiking. CP gave Supervisor Max's backpack and CP said goodbye and tried to confirm pick up destination. Supervisor and Max walked around and they talked about the parking lot. Max and Supervisor talked about Thanksgiving and what Max ate. Max asked for help putting on his sweater because it had double zipper. Max showed Supervisor how the sweater went all the way up and it was a Minecraft. Supervisor said that was really cool. They walked around and saw NCP coming in. Max told Supervisor there were no turkeys here for them to chase at this park. NCP arrived with the bow and arrows. NCP asked for a hug and Max said he did not want to. NCP asked why and Max turned around. Max said his playground way was closed. NCP said we can find it this way. They walked together to the playground.

They began putting together the turkey and bow and arrow. NCP joked that they had a target which was the goose. Max pretended to shoot at them and NCP said he was joking and they were to shoot at the turkey only. Max pointed around to him and Supervisor. Supervisor shrieked and waved his arms pretending to be scared which caused Max to laugh. They began shooting at the arrows. NCP asked Supervisor if he could take pictures of him and Max as they played. Supervisor did. NCP asked if Max had his phone. Max said he did not. NCP said why not and he was supposed to have his phone. Max said that CP did not give it to him. NCP said she knows that you were supposed to have it. Max said that they were going walking and shooting arrow. NCP said what about to watch videos. Supervisor said that they can watch it on NCP's phone. NCP said that Max was supposed to have it. Max asked to speak to Supervisor and Max saw NCP looking at them. Max said he did not want NCP to hear. Supervisor Said let's talk this way and walked by the bags where they dropped it off. Max said that he does not like it when NCP talks about CP. Supervisor nodded. Max said that NCP made him cry the other day. Supervisor asked if when he talks about his mom it makes him cry. Max said he did not know and shrugged. Supervisor said that was okay. Max asked not to tell NCP. Supervisor and Max high fived. NCP asked why Max had secrets. Max

continued to walk away. NCP asked if Max could help grabbing the arrows and target. Max said he was holding one and NCP asked if he could help. They walked to another area.

As Max walked ahead, Supervisor told NCP that Max does not like when NCP talks about CP and he (Supervisor) is concerned that if he (NCP) continues to do this, Max will grow up and resent him for talking negatively about the mom. NCP said that he just wanted Max to have his phone on him since CP does not want Max to have his phone. NCP said he understands and talked about his friends and their having phones and that is why he wants him to have it so that he does not fall behind. Supervisor said he understands that but phones for a 7 year old is not a necessity and its two different parenting styles that's not necessarily one person being wrong or right, and therefore it's not important to keep insisting on that. They caught up to Max. Max asked if Supervisor was telling NCP what they talked about. Supervisor said no, but I did tell him that you do not like it when he talks about your mom. Max said that's true. Max went on the playground. NCP thanked Supervisor and said that he wants to know these things and wants to do better. Supervisor said a rule of thumb is just don't talk negatively about the other parent, or sometimes just don't talk about them at all.

NCP set up a blanket and sat down with Supervisor. Max played away with his new found park friends. Supervisor told NCP that it is important to set aside what he thought about CP and not put Max in the middle. Supervisor said that if he thinks things are one way at CP's house then do the opposite of what he thinks is happening because two wrongs don't make a right. NCP asked what Supervisor meant. Supervisor said for example, some parents are worried that at their other house parent's don't get along with the kids and they are arguing, and instead of you providing that same environment by fighting and asking questions, provide a safe, and happy environment. Supervisor said because if you are wrong and there is nothing happening at their house but when you are with them there is always negative things then they may not want to spend time with you. NCP said thank you and he is learning. Supervisor said as someone who comes from divorce family it does not help when parents talk about each other because regardless they are their parent and he fears that Max may grow apart from him. NCP said thank you. Max came back and said he made a new friend. NCP hugged Max and kissed him. NCP tickled him repeatedly which caused Max to shift around and laugh. Max laughed harder and harder until he farted. NCP and Supervisor laughed. Max drank some water. Max asked to be tickled again a lot. NCP tickled him and took pictures. Max laughed again. Max went back to play. NCP said they had 5 minutes before they went out to see the rabbits. Max bargained for 10 minutes. NCP said okay and then they can chase rabbits. Max continued to go around the jungle gym. NCP packed up their belongings. They moved to a different activity at 3:17pm.

Max and NCP walked to the other area and began shooting the bow and arrow. They talked about roller coasters and Supervisor said he is scared of them. They continued shooting. NCP taught Max how to shoot it and they played together. They grabbed the belongings around. Max pretended to shoot the arrows elsewhere and NCP told Max not to do that and to aim it at targets. As they walked Max said that he will remind CP of her bringing his phone. NCP said thank you. Max began dancing and NCP complimented what a good dancer he was. NCP took pictures of Max and Max posed as he danced. Supervisor complimented how good Max was. Max asked NCP to take pictures and NCP continued as Max danced. They looked for the other arrows. Supervisor notified them when it was time to leave since it was 20 minutes prior to visit ending and they packed up

their belongings. They looked for Arrows that were hidden around the bushes. NCP said that they were missing one and Max found it. They walked back to the other area closer back to where Max and Supervisor had their one on one talk. Max said that he wanted to stay longer as they were walking back because he wanted to play. Max crouched down and sat on NCP's leg and NCP said that all he had to do was tell CP that he wants to see dad more so that eay he sees him everyday and this would be over. Supervisor looked at NCP and shook his head. They got up and continued to walk.

They continued to shoot arrows for the remaining of the time. Supervisor asked for help and if NCP could walk them more across the way. NCP agreed and they walked back. NCP and Max said goodbye to each other with hugs and NCP told Max he will see them soon. Supervisor brought Max to CP. Max said for CP to bring the phone next time for the visit. Supervisor said that there was an incident that occurred and if he could talk to CP. Supervisor said that there was an incident that NCP said for Max to bring out his phone and he mentioned you not wanting to bring it because they were playing outside. Max mentioned from away that he wanted to punch and fight NCP. CP said that Max cannot do that and that he was his father and he still loved him. Supervisor notified CP that Max told him that he does not like it when NCP talks about CP. CP said that was the issue that happened in the past as well. CP asked for Max to in the car since he kept coming by as Supervisor talked to her. Supervisor said that he talked to NCP and they discussed how this is not helpful for his relationship with Max. Supervisor said that NCP mentioned that he will try to do better. CP mentioned that is what he said last time too but he continues to do it. Supervisor said he hopes he continues to grow in this process. Supervisor and CP said goodbye and Supervisor notified Max that Dylan will be with them again soon. Max said goodbye.

Supervisor followed up with NCP again after the visit and said via text that "… also after when you said ask mommy to let me see you everyday and this would be over, it puts him in a weird spot because this isn't his fault but being asked to save the situation." NCP texted if they can talk over the phone. Supervisor called him and said that NCP should not be telling Max to give messages to CP like when he told Max to tell CP to allow Max to see him more. Supervisor said when you do that it puts the child in the middle of your situation and you cannot do that. NCP said thank you and he appreciated Supervisor letting him know and that he appreciates the advice.

NCP received a package. After that, NCP continued to play with Max. After some time, Max then said can I play on my computer now. NCP said yes. Max then said I need help with my phone, it's going to turn off now. NCP said oh you need a charger.

At 6:50pm, NCP said we have a few minutes okay. At 6:53pm, Supervisor then said it's time to go as we know Max takes a while to get going. Max then finally got up and put his shoes on and proceeded to walk down to the car with NCP. As Max climbed in the car, Max said I didn't want to go. NCP said I know it's the rules which I don't like. While driving, Max said something in Russian. Supervisor said Max I can't understand that. NCP said Max said I didn't do any homework. NCP said Max as much as I don't like rules, we have to follow it, we will speak English. Max said I wanted to speak in my own language. Max added to say that grandpa and grandma are coming in April. NCP said that's cool. Following that, NCP then said max if you need me, you can call me.

At 7:02pm, NCP parked at the spot as NCP helped Max out the car. Max then said let's go to Supervisor and said bye to NCP. NCP hugged Max. Max said don't tell mom I didn't do my homework. Supervisor said he already did. Max said he had school, Kuman and dad. He didn't want to do all. As they approached CP, Max gave his bag to CP. Max wanted it back to play with his phone. CP said I have to talk to you. Max climbed in the car as Supervisor said Max had a lot of candy. CP sighed and said thank you to Supervisor. Supervisor said he'd see them Saturday again. The visit ended at 7:06pm.

Supervisor arrived at 5:08pm for his 5:00pm visit. The prior visit that was scheduled on Saturday (02/18) was cancelled by NCP. After the visit Supervisor told NCP about his late Supervisor notified CP and NCP of his late arrival due to high wind traffic. Supervisor met up with Max and CP who were already waiting. Supervisor apologized for his late arrival. CP said it was okay and said it was so cold. Max said dad is always late. Supervisor said I didn't see his car yet. CP said even now. Supervisor and Max then waited inside for NCP's arrival.

After a few minutes, Max said I don't see him and where he is. Supervisor said he didn't know and checked in with NCP since it was already 5:19pm. Supervisor let Director Jesus know about this. Director suggested that Supervisor cancels the visit due to constant late arrivals and today being exceptionally late. Director told Supervisor to make sure that NCP knew this via text and mentioned that he still had to pay. Supervisor gave Max a heads up about this; Supervisor said Max I'm going to have to cancel the visit since your dad isn't here yet, its very late, so we won't have this visit today. Max said he understood. Supervisor let CP know via text. CP said okay. A minute or two later at 5:24pm, NCP arrived. Supervisor greeted NCP and said hey did you receive my text. NCP checked his phone. Supervisor said that due to the constant late arrivals and today being more than 15 minutes late, I have to cancel this visit. Supervisor said he spoke to Director as well and this was strongly suggested. Supervisor added to say that NCP lived 5minutes away and I'm not sure what his day looked like, but NCP always agrees to meet for 5:00pm when confirming for the visits. Supervisor said that generally you should arrive 15 minutes before the visit. NCP arrived more than 15 minutes after the start time which in the rules states that it should then be cancelled. NCP hugged Max and said if you need me call me okay. Max said dad can you please stop being late. NCP said goodbye to Max and Supervisor. NCP said he understands that its rules and appreciated the meet up. Supervisor said he'd see him Thursday. NCP said yes if that's possible. Supervisor said sorry about this to Max as Max sighed. Supervisor walked to CP's car. Supervisor let CP know about the situation. Supervisor mentioned the same thing to CP that because of the constant late arrivals and today being really late, it's in the rules to cancel the visit

as well for NCP to learn to arrive on time. Supervisor said I hope you understand. CP said I understand and mentioned that I'm sure Max wants to see his dad, but she understands why.

At 5:32pm, Supervisor said goodbye to CP and the visit ended.

At 5:01pm, As they walked to enter, Supervisor heard a honk. Supervisor told Max that his dad was here. Max said what if he sees my mom. Supervisor said it was okay as his mom was parked in the car a few parking's away. Max greeted NCP and said what if you see my mom, she is right there. NCP said it's okay there's a restraining order so we can't talk and see each other. Supervisor said Max it's okay let's get in the car. NCP hugged Max. As Max climbed in, Max said I am hungry. NCP said let's eat pizza today and even cookies. Max said he never wanted pizza. Not too long after that, NCP buckled Max's seat and proceeded to drive off to his place.

On the drive, Max then said dad can you text my mom. NCP said I can but I don't really want to talk to her, but I can. Max said why don't you want to talk her, you always lying. NCP said that's not true. Supervisor said guys let's not go there. Max said my mom is nice and she doesn't lie. Supervisor said Max just enjoy your time with your dad now and if you want to text your mom ask me to do it instead. NCP said yes there were lost days that we couldn't see each other so let's just enjoy our time.

At 5:08pm, NCP parked and Max got out of the car and said if you ever tell me something that's lying about my mom I'll throw something. NCP said I love you and hugged Max. Max said my mom is very nice and she said she learnt her lesson. NCP said I really hope so. Max scrunched his face. Supervisor said Max you need to calm down and just enjoy your time with your dad. Supervisor reminded NCP to dodge these topics. NCP and Max walked up. Max said you can go first to NCP. NCP said Max that was very kind thank you. NCP and Max washed their hands. Max started to play his game as NCP said he'll put some pizza in the oven. Max then played a son and

danced. NCP joined Max in the dance. NCP asked Max if he could join him in the game. NCP joined the game.

At 5:36pm, NCP served Max pizza and had some for himself too. Max then asked NCP to change the TV show that was on. NCP said okay as you wish. Max then asked Supervisor whether he can text his mom to check if he can have coke. Supervisor said yes. NCP then said Max when you old you don't have to ask your mom for everything. Max said can you please be quiet. NCP said okay I'll be quiet. Supervisor proceeded to text CP. CP then texted to say yes, he can today. Supervisor notified Max. Max said yes. NCP and Max continued to play together.

At 6:29pm, Max said please charge my phone, I'm going to the restroom. After that, NCP and Max continued to play and they remained playing for almost the duration of the visit.

At 6:53pm, Supervisor said just remember we have to get back at 7pm. NCP said yes we will go. Max said right now, why do we have to go. Max continued to play his game. NCP said he was going to get Max's jacket. Max then said my phone is dead as NCP helped him into the car. NCP then realized he was driving the wrong way and quickly checked his maps to go to the meeting spot. NCP then said your new mom is wanting to meet you and will wait for you. NCP said she'll prepare you cheesecake. Max said please repeat that what did you say. NCP said that she is the nicest person waiting for Max. NCP added to say that she said you are the nicest boy in the world. Max said he didn't want a new mom and wouldn't even want a brother. NCP said we will see.

At 7:10pm, NCP parked and Max continued to talk with NCP. Supervisor said Max lets go it's already 10 minutes past. NCP said okay sorry. NCP hugged Max and said goodbye. Supervisor walked with Max to find CP. Max said mom let's go in Jakes as he led the way. Supervisor said goodbye and said he'd see them Thursday. The visit ended at 7:12pm

INTERVENTION: Monitor intervened several times and asked Dad to speak about topics other than Mom, and Max staying in the United States. Monitor warned Dad that the visit would be terminated if he continued to speak on prohibited topics.

VISITING PARENT'S REACT TO INTERVENTION:
Each time Monitor intervened Dad said he would stop however he would continue after a few minutes. Dad also asked why he couldn't speak to his son about these topics. Monitor told Dad that his conversation was unacceptable and that he was making Max uncomfortable.

Executive Director (ED) text to Dad @ 5:02 - Constantine during the visit today Bianca informed me the conversation today was inappropriate and not acceptable. Please review rules below that was discussed and agreed upon. If this continues we will have to terminate our services. (ED sent screenshot of Rules of Conduct for Family Konnections Packet which was discussed with Dad during the Intake).

Dad text @ 5:10 - Thank you Esther. I understand the rules of supervised visits are intended to enforce parental alienation against primary parent and prohibit helping child to protect himself from domestic violence, child abuse and international child abduction by mother. I also understand that my son is prohibited from getting any hope to have healthy and unobstructed contact with father in future - including birthday and holiday greetings - which are used by mother for filing restraining orders and reminding you that contact of my son with his father is prohibited. Thank you for pointing to rules - I'll do my best to follow them. Dad text @ 5:13 - I'll kindly ask you to consider the fact that my son was abducted by mother with fraud, false allegations and bribery and judge confirmed that she is bribed and got caught on multiple falsifications, including intentionally harmful custody orders and facilitation of intentional international child abduction of my son outside of thye United States). Dad text @ 5:21 - Max was left without father because I prohibited mother's domestic violence against Max and did not allow her to abduct Max to Ukraine in times of war there.

ED text @ 5:22 - I understand your issues with court however, our primary concern is the safety of yours child and not having your child in any distress. It appears your son was trying to get you to refrain from saying the things that you were saying which he should not have to do. You made this visit very uncomfortable for your son and the Monitor. Especially saying to him his Mom killed his grandmother. Not acceptable conversation at all!! Any cutie conversation of this nature we will terminate our services.

Dad text @ 5:22 - Max is prohibited for getting any hope to get healthy instructed contact with father - and enforcing parental alienation simply makes my son defenseless in hands of mother -abuser. Appreciate your understanding. I'll do my best to follow roles(rules?). Dad text @ 5:27 - Unfortunately Hanna kicked out from home defenseless 95 years old senior woman with disabilities and caused her terminal condition. Max saw it and knows it. It is prohibited topic because Max is hostage of mother-abuser who obtained full custody over my son with fraud and threatened to "bury my son in Ukrainian soil" to ensure that I will never see Max again – which after her violence against grandmom and recommendations of mental health treatment (made by emergency screener) is very probable. Anyways, sorry for bothering you with this long story. Dad text @ 5:27 - I'm really worried about safety of my son in hands of mother-abuser..and enforcing Max's defenseless in this terrible situation is disturbing. Dad text @ 5:30 - Anyways, thank you for your time - I'll do my best to follow rules. Dad text @ 5:33 - My apologies to Bianca and thank you for understanding.
