Respondent.

) Case No.: 22FL003144

) [Honorable Beth McGowen,
Presiding Judge of Superior Court of California]

) [Dept. 72 – Honorable Brooke A. Blecher,
Supervising Judge of Superior Court of California]

) **PETITIONER'S COVER LETTER TO
HONORABLE BETH MCGOWEN,
PRESIDING JUDGE
OF SUPERIOR COURT OF CALIFORNIA
AND
HONORABLE BROOKE A. BLECHER,
SUPERVISING JUDGE
OF SUPERIOR COURT OF CALIFORNIA**

Dear Honorable Beth McGowen and Honorable Brooke A. Blecher,

I respectfully request that my case 22FL003144 to be assigned to Department 72 and to be heard by Honorable Brooke A. Blecher on evidentiary hearings with oral argument and statement of decision produced after each hearing, and permission for video and audio recording of all proceedings on this case together with media coverage to be granted indefinitely.

I request immediate disqualification of suspected of bribery judge Stephen P. Lowney and corrupted attorney Nancy L. Roberts from Superior Court of California.

I request stay on all decisions and orders of bribed judges Lowney, Flint and Towery until final judgment, and nullification of all their orders retroactively back to 9/13/2022.

1 I respectfully allow 3 months stay on the case 22FL003144 until June 17, 2024, to allow time
2 for Presiding Judge and Commission on Judicial Performance to terminate bribed judge Stephen P.
3 Lowney and corrupted attorney Nancy L. Roberts from Superior Court of California, and to perform
4 deep and thorough investigation of massive uncontrollable outburst of organized crime in Superior
5 Court of California, that goes far beyond organized criminal syndicate that Nancy L Roberts
6 organized with involvement of THREE bribed judges Stephen P. Lowney, Andrea E. Flint and
7 James E. Towery, corrupted attorney Steven A. Dinnen, his associate Ryan Romero, and other
8 corrupted parties in the Superior Court.

9
10 I respectfully request thorough investigation and prosecution of all criminal elements in
11 Superior Court of California during these 3 months, to stop uncontrollable outburst of organized
12 crime and corruption in Superior Court of California, which affected hundreds of active cases, and
13 is currently reported by multiple other litigants and their attorneys to government authorities up to
14 the office of the President of the United States. I foresee that if organized crime will not be stopped
15 on the case by case basis now, and if Court will continue employing criminals like Lowney, Flint
16 and Towery, scale of media scandal, federal investigation and prosecution of organized criminals in
17 the Superior Court could go far beyond California.

18
19 Therefore, I respectfully request stay on all decisions and orders on the case 22FL003144
20 starting March 1, 2024, until June 17, 2024, except of the transfer of the case to Department 72 and
21 termination of bribed judge Stephen P. Lowney and corrupted attorney Nancy L. Roberts.

22
23 I respectfully request Honorable Court to reschedule all hearings between March 1, 2024 and
24 June 17, 2024 to available dates after June 17, 2024 – to allow graceful 3 months period for
25 Presiding Judge and Judicial Commission to investigate massive organized crime in Superior Court
26 of California, Santa Clara County, facilitated by corrupted judges Stephen P. Lowney, Andrea E.
27 Flint and James E. Towery, and corrupted attorneys Nancy L. Roberts and Steven A. Dinneen.

1 Otherwise I do not feel it would be given its due regard, taking into account gruesome
2 experience with corrupted judges of Department 79: Stephen P. Lowney, who is requested to be
3 disqualified from Superior Court after the very first month of his assignment, and previous
4 disqualified bribed judges Andrea E. Flint and James E. Towery.

5
6 Please transfer case 22FL003144 to Department 72 accordingly and grant stay on all decisions
7 and orders until June 17, 2024.

8
9 It is my belief that impartial hearing could be made only by the Judge who represents the
10 highest standards of judicial ethics, and it is of my belief that Honorable Brooke A. Blecher,
11 Supervising Judge, is well known for highest impartiality and adherence to ethical standards.

12
13 Please do not hesitate to reach me directly if any additional information is needed during

18 Appreciate your prompt attention to this urgent matter, help to save my son from international
19 child abduction, and your efforts in restoring reputation of the Superior Court of California after
20 uncontrollable outburst of organized crime that was acting under label of "law".

21
22
23
24 Sincerely.
