Dear Kostiantyn Mars,

Thank you for your correspondence with the Court. I have received and reviewed your filed-endorsed stamped cover letter to Judge Blecher and myself. One of my responsibilities as Presiding Judge is to investigate and respond to complaints of misconduct on the part of our Judicial Officers.

The law does not allow parties in litigation to dictate what judge will hear a specific matter. Rather, cases are randomly assigned in part to prevent any party from selecting a particular judge. Therefore, your request that your case be assigned to Judge Blecher is denied.

As to your complaint regarding Judge Lowney, (and Judges Towery and Flint before him), I have investigated the matter and find that you have provided no evidence of the corruption which you allege. Your request that Judge Lowney be "immediately resigned" from the Superior Court is denied. Your request for a stay on all orders is not properly before the court and therefore is also denied. Should you wish to have an order reconsidered, you may move to do so pursuant to the law. You may also proceed with a timely appeal.

The law also prevents the video recording and audio recording of all hearing. For any exception to this rule, the Judge hearing the matter must execute a prior written order granting permission for the recording.

Finally, if you wish to make a complaint regarding an attorney, please contact the State Bar of California who hears such matter.

Thank you for contacting the court,

Respectfully,

19
20 Dear Honorable Beth McGowen and Honorable Brooke A. Blecher,

21
22 I respectfully request that my case 22FL003144 to be assigned to Department 72 and to be heard
23 by Honorable Brooke A. Blecher.

24 Otherwise I do not feel it would be given its due regard, taking into account gruesome
25 experience with corrupt judges of Department 79: Hon. Stephen P. Lowney, who is requested to be
26 disqualified from Superior Court, and previous disqualified judges Flint and Towery.

27 Please transfer case 22FL003144 to Department 72 accordingly.
28

1 It is my belief that impartial hearing could be made only by the Judge who represents the
2 highest standards of judicial ethics, and it is of my belief that Honorable Brooke A. Blecher,
3 Supervising Judge, is well known for highest impartiality and adherence to ethical standards.

4
5 I kindly request your help with transfer of the case 22FL003144 to Department 72, because after
6 gruesome experience with three corrupted judges (Lowney, Flint and Towery), two of whom
7 became center of loud media scandals about falsifications and abuse of judicial power, were
8 investigated for suspect of bribery, repetitive judicial misconduct and severe abuse of judicial
9 power, and were prematurely terminated from Superior Court, credibility and reputation of Superior
10 Court was irreparably damaged by those corrupted judges.

11
12 I do understand, that it might happen, that severe falsifications, repetitive misconduct, threats
13 and coercion, and intentionally harmful orders of Lowney, Flint and Towery could be caused by
14 them being bribed by unethical attorney Nancy L Roberts, who was requested to be disqualified
15 already twice, and who has huge documented history of falsifications, lies and false allegations,
16 impermissible pressure on judges, experts, emergency screeners, professional supervisors,
17 avoidance of service, harassment of parties in the case and process servers.

18 Motion to Disqualify Nancy L Roberts from case 22FL003144 is respectfully attached to
19 Evidence for Verified Written Statement, to which this Cover Letter is attached.

20 Unfortunately with the help of corrupted judge Stephen P. Lowney, Nancy L Roberts was able
21 to escape disqualification on 02/07/2024 – and it is suspected that the only reason that saved Nancy
22 Roberts from disqualification if suspected bribe, obtained by Lowney from Nancy in January 2024.

23
24 I kindly bring to your attention that case 22FL003144 is about massive fraud scheme facilitated
25 by Nancy L Roberts with the goal of international child abduction of my son Max Mars outside of
26 the United States. Efforts of Nancy L Roberts in falsifying court records, bribing judges,
27 impermissible pressure on experts, led to more than year of enforced parental alienation, while my
28

1 son is held in undisclosed location, and all contact with my son is blocked (which is motivated by
2 intentionally harmful orders of corrupt judge Flint, suspected of receiving bribe from Nancy L
3 Roberts in April 2023, and investigation of whom is still pending).

4 Evidence of documented history of international child abduction, witness statements and
5 supervised visits reports were filed with the Court – but were completely ignored by corrupted
6 judges Lowney and Flint.

7
8 Signature of corrupted judge Towery on fraudulent DVRO in September 2022, led my
9 grandmom, defenseless 95 years old senior woman with disabilities, to be kicked out from home
10 and put into irreparable terminal condition due to violence and stress of Respondent in this case.

11
12 Signature of corrupted judge Flint, led my son to being held in undisclosed location, all contact
13 with him blocked, my child used as hostage and leverage in attempts of Nancy L Roberts and
14 corrupted judges Lowney and Flint to force me to sign-off custody, abandon my son and give up all
15 documents of my son therefore allowing international abduction of my son outside of the United
16 States.

17 Respondent in this case filed new DVRO against me prohibiting all contact with my son –
18 because I greeted my son with his 8th birthday, and Max was happy to see father on his birthday,
19 hugged me and smiled to me (which according to unethical attorney Nancy L Roberts is prohibited
20 until I will sign-off custody and give up all documents of my son).

21
22 Corrupted judge Lowney made orders forcing me to give up passport and all documents of my
23 son, and threatened to put me into jail through contempt, and silence me with “vexatious litigant”
24 prefiling order if I will try to legally request reconsideration of his intentionally harmful orders.

1 Meanwhile my son does not have any contact with me, sim card is pulled out from his phone,
2 and his mother promised me to abduct and “bury our son in Ukrainian soil, so you will never see
3 him again”. Even without international child abduction that she threatened to do – she already
4 blocked all our contact with my son, without any reasons for that (there were no conflict, no
5 violence, only the fact that I provided green cards to my son and my soon-ex-wife in August 2022,
6 and said that instead of international child abduction to Ukraine that she threatened, we should
7 focus on healthy co-parenting and safety of our child here, in the United States – for which she
8 retaliated by harming my 95 years old grandmom and abduction of my son in less than a month, in
9 September 2022).

11 This matter was never heard because of falsifications and fraud of unethical attorney Nancy L
12 Roberts, who dismissed trial on opposing DVROs in 2022. Later Nancy Roberts postponed for the
13 next 6 months trial on opposing DVROs 2023 with the help of corrupted judge Lowney – evidence
14 to that DVRO clearly demonstrates that Nancy L Roberts is lying to court about Max being
15 allegedly “abandoned child”. Evidence clearly shows that I did not abandon my son, I love and care
16 about my child, and I offer my ex-spouse peace and healthy co-parenting with the focus on our
17 child’s best interest – but in turn she calls police on me, asks police about putting me into jail for
18 greeting my son with birthday, files DVRO against me, and prohibits me both greeting my son with
19 birthday, and any contact with my son.

21 Which demonstrates some absolutely unhealthy approach to enforce parental alienation in
22 preparation for international child abduction, which is facilitated through massive fraud schema of
23 bribery, fraud, falsifications, threats and coercion. And it is documented in evidence that harmful
24 behavior of Respondent is advised by her unethical attorney Nancy L Roberts, and falsifications,
25 threats and coercion of corrupted judges Lowney, Flint and Towsery were made solely in favor of
26 unethical attorney Nancy L Robert, suspected in bribing them.

4 Please find enclosed Verified Written Statement of Disqualification of Hon. Stephen P. Lowney,
5 with the request for stay on all orders of corrupted judges Lowney, Flint and Towery, and
6 nullification of all their orders retroactively back to 10/31/2022, and List of Evidence for Verified
7 Written Statement of Disqualification attached.

8
9 I respectfully request that the case 22FL003144 to be assigned to Department 72, and to be
10 heard by Honorable Brooke A. Blecher, with the hope that highest ethical standards of Supervising
11 Judge Honorable Brooke A. Blecher could give this case chance of Impartiality and Justice.

12
13 Appreciate your help and understanding in effort to save my son from domestic violence and
14 international child abduction.

15
16
17 Sincerely.
